The Issuer shall maintain offices or agencies where Second Lien Notes may be presented for registration of transfer or for exchange (each, a “*Registrar*”) and offices or agencies where Second Lien Notes may be presented for payment (each, a “*Paying Agent*”). The Issuer will also maintain one or more transfer agents (the “*Transfer Agent*”). Offices or agencies of the Registrar and the Transfer Agent will be maintained for so long as the Second Lien Notes are listed on the Irish Stock Exchange and traded on the Global Exchange Market thereof. Offices or agencies of the Paying Agent will be maintained in London, England. The Registrar in Ireland will maintain a register reflecting ownership of the Second Lien Notes in the form of Definitive Registered Notes outstanding from time to time and will make payments on and facilitate transfers of Definitive Registered Notes on behalf of the Issuer. The Issuer may appoint one or more co-registrars and one or more additional paying agents. The term “*Registrar*” includes any co-registrar and the term “*Paying Agent*” includes any additional paying agent. The Issuer may change any Paying Agent or Registrar without notice to any Holder. The Issuer will notify the Trustee in writing of the name and address of any Paying Agent or Registrar not a party to this Indenture. The Issuer, the Company or any of the Company’s Subsidiaries, acting as agent of the Issuer solely for this purpose, may act as Registrar.

The Issuer initially appoints Euroclear and Clearstream to act as a Depositary with respect to the Second Lien Notes. Société Générale Bank & Trust, S.A. will act as Common Depositary for the Second Lien Notes on behalf of Euroclear and Clearstream.

The Issuer initially appoints Elavon Financial Services Limited, UK Branch to act as Principal Paying Agent in London with respect to the Global Notes, and initially appoints Elavon Financial Services Limited to act as the Registrar and Transfer Agent in Ireland. The Issuer shall also maintain a Paying Agent in a member state of the European Union that will not be obliged to withhold or deduct tax pursuant to the European Union Directive 2003/48/EC (as amended from time to time) or any other directive implementing the conclusions of the ECOFIN Council meeting of 26 and 27 November 2000 on the taxation of savings income, or any law implementing, or complying with or introduced in order to conform to, such directive.

Subject to any applicable laws and regulations, the Issuer shall cause the Registrar to keep a register (the “*Register*”) at its corporate trust office in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of ownership, exchange and transfer of the Second Lien Notes. Such registration in the Register shall be conclusive evidence of the ownership of Second Lien Notes. Included in the books and records for the Second Lien Notes shall be notations as to whether such Second Lien Notes have been paid, exchanged or transferred, cancelled, lost, stolen, mutilated or destroyed and whether such Second Lien Notes

have been replaced. In the case of the replacement of any of the Second Lien Notes, the Registrar shall keep a record of the Second Lien Note so replaced and the Second Lien Note issued in replacement thereof. In the case of the cancellation of any of the Second Lien Notes, the Registrar shall keep a record of the Second Lien Note so cancelled and the date on which such Second Lien Note was cancelled.

The Issuer shall enter into an appropriate agency agreement with any Paying Agent or co-Registrar not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee of the name and address of any such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee may appoint a suitably qualified and reputable party to act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.06.

Upon notice to the Trustee, the Issuer may change any Paying Agent, Registrar or Transfer Agent; *provided, however*, that in no event may the Issuer appoint a Paying Agent in any member state of the European Union where the Paying Agent would be obliged to withhold or deduct tax in connection with any payment made by it in relation to the Second Lien Notes unless the Paying Agent would be so obliged if it were located in all other member states. For so long as the Second Lien Notes are listed on the official list of the Irish Stock Exchange and admitted for trading on the Global Exchange Market and the rules of the Irish Stock Exchange so require, the Issuer will publish a notice of any change of Paying Agent, Registrar or Transfer Agent in a daily newspaper having a general circulation in the Ireland (which is expected to be the *Irish Times*) and, to the extent and in the manner permitted by such rules, post such notice on the official website of the Irish Stock Exchange (which, as of the Issue Date, is www.ise.ie) in accordance with Section 14.01 and, in the case of Definitive Registered Notes, in addition to such publication and posting, mail such notice by first-class mail to each Holder's registered address, as it appears on the Register, with a copy to the Trustee.

Payment of principal will be made upon the surrender of Definitive Registered Notes at the office of any Paying Agent. In the case of a transfer of a Definitive Registered Note in part, upon surrender of the Definitive Registered Note to be transferred, a Definitive Registered Note shall be issued to the transferee in respect of the principal amount transferred and a Definitive Registered Note shall be issued to the transferor in respect of the balance of the principal amount of the transferred Definitive Registered Note at the office of any Transfer Agent.

The obligations of the Agents are several and not joint.

Section 2.04 *Paying Agent to Hold Money.*

Not later than 10:00 am (London time) one Business Day prior to each due date of the principal, premium and Additional Amounts, if any, and interest on any Second Lien Notes, the Issuer will deposit with the Principal Paying Agent money in cleared, immediately available funds sufficient to pay such principal, premium and Additional Amounts, if any, and interest so becoming due on the due date for payment under the Second Lien Notes. Each Paying Agent other than the Trustee, or an Affiliate of the Trustee, will hold for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal, premium, Additional Amounts if any, or interest on the Second Lien Notes, and will notify the Trustee of any default by the Issuer in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. Money held by a Paying Agent need not be segregated, except as required by law, and in no event shall any Paying Agent be liable for interest on any money received by it hereunder. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon payment over to the Trustee, the Paying Agent will have no further liability for the money.

Section 2.05 *Holder Lists.*

The Registrar will preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Issuer will furnish to the Trustee at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

Neither the Trustee nor any of its Agents will have any responsibility or be liable for any aspect of the records in relation to, or payments made on account of, beneficial ownership interests in the Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Section 2.06 *Transfer and Exchange.*

(a) *Transfer and Exchange of Global Notes.* A Global Note may not be transferred as a whole except by the applicable Depositary to a nominee of the applicable Depositary, by a nominee of the applicable Depositary to the applicable Depositary or to another nominee of the applicable Depositary, or by the applicable Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. All Global Notes will be exchanged by the Issuer for Definitive Registered Notes if:

(1) Euroclear or Clearstream notifies the Issuer that it is unwilling or unable to continue to act as Depositary and a successor Depositary is not appointed by the Issuer within 120 days; or

(2) the owner of a Book-Entry Interest requests such exchange in writing delivered through Euroclear or Clearstream following an Event of Default under this Indenture and enforcement action is being taken in respect hereof under this Indenture.

Upon the occurrence of any of the events listed in the preceding clause (1) and (2) of this Section 2.06(a), the Issuer shall execute, and the Trustee or the Authentication Agent, shall, upon receipt of an Authentication Order, authenticate and deliver Definitive Registered Notes in an aggregate principal amount equal to the principal amount of the applicable Global Note tendered in exchange therefor. The Issuer will, at the cost of the Issuer (but against such indemnity as the Registrar or any relevant Agent may require in respect of any tax or other duty of whatever nature which may be levied or imposed in connection with such exchange), cause sufficient Definitive Registered Notes to be executed and delivered to the Trustee for authentication and the Registrar for registration of the exchange and dispatch to the relevant Holders within 30 days of the relevant event. The Trustee or the Registrar shall, at the cost of the Issuer, deliver such Definitive Registered Notes to the Persons in whose names such Second Lien Notes are so registered. Definitive Registered Notes issued in exchange for beneficial interests in Global Notes pursuant to this Section 2.06(a) shall be registered in such names and in such authorized denominations as the Depositary, pursuant to instructions from its Participants or Indirect Participants or otherwise, shall instruct the Trustee. A Global Note may not be exchanged for another Second Lien Note other than as provided in this Section 2.06(a); *provided, however*, that beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b), (c), (d) or (e) hereof.

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes will be effected through the applicable Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes will be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also will require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) *Transfer of Beneficial Interests in the Same Global Note.* Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(1).

(2) *All Other Transfers and Exchanges of Beneficial Interests in Global Notes.* In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(1) above, the transferor of such beneficial interest must deliver to the Registrar both (i) a written order from a Participant or an Indirect Participant given to the applicable Depositary in accordance with the Applicable Procedures directing the applicable Depositary to credit or cause to be credited a beneficial interest in another Global

Note in an amount equal to the beneficial interest to be transferred or exchanged, and (ii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase.

Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Second Lien Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.06(g) hereof.

(3) *Transfer of Beneficial Interests to Another Restricted Global Note.* A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in a 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(B) if the transferee will take delivery in the form of a beneficial interest in a Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof.

(4) *Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note.* A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(a) thereof; or

(B) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit B hereto, including the appropriate certifications in item (3) thereof;

and, in each such case, if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee, or the Authentication Agent, shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) *Transfer or Exchange of Beneficial Interests for Definitive Registered Notes.* If any one of the events listed in clause (1) or (2) of Section 2.06(a) has occurred or the Issuer has elected pursuant to Section 2.06(a) to cause the issuance of Definitive Registered Notes, transfers or exchanges of beneficial interests in a

Global Note for a Definitive Registered Note shall be effected, subject to the satisfaction of the conditions set forth in the applicable subclauses of this Section 2.06(c).

(1) *Beneficial Interests in Restricted Global Notes to Restricted Definitive Registered Notes.*

If any Holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Registered Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Registered Note, then, upon receipt by the Registrar of the following documentation:

Any Restricted Definitive Registered Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(c) shall be registered in such name or names and in such authorized denomination or denominations as the Holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Principal Paying Agent or the Registrar shall deliver such Restricted Definitive Registered Notes to the Persons in whose names such Second Lien Notes are so registered. (2) *Beneficial Interests in Restricted Global Notes to Unrestricted Definitive Registered Notes.* A Holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Registered Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Registered Note only if:

(A) if such beneficial interest is being transferred pursuant to an effective registration statement under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(c) thereof;

and, in each such case set forth in this subparagraph (C), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(3) *Beneficial Interests in Unrestricted Global Notes to Unrestricted Definitive Registered Notes.* If any Holder of a beneficial interest in an Unrestricted Global Note proposes to exchange such beneficial interest for an Unrestricted Definitive Registered Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Registered Note, then, upon satisfaction of the conditions set forth in Section 2.06(b)(2) hereof, the Principal Paying Agent or the Registrar will cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(g) hereof, and the Issuer will execute and, upon receipt of an Authentication Order, the Trustee, or the Authentication Agent, will authenticate and deliver to the Person designated in the instructions an Unrestricted Definitive Registered Note in the appropriate principal amount. Any Unrestricted Definitive Registered Note issued in exchange for a beneficial interest pursuant to this Section 2.06(c)(3) will be registered in such name or names and in such authorized denomination or denominations as the Holder of such beneficial interest requests through instructions to the Registrar from or through the applicable Depositary and the Participant or Indirect Participant. The Principal Paying Agent or the Registrar will deliver such Unrestricted Definitive Registered Notes to the Persons in whose names such Second Lien Notes are so registered. Any Unrestricted Definitive Registered Note issued in exchange for a beneficial interest pursuant to this Section 2.06(c)(3) will not bear the Private Placement Legend.

(d) *Transfer and Exchange of Definitive Registered Notes for Beneficial Interests.*

(1) *Restricted Definitive Registered Notes to Beneficial Interests in Restricted Global Notes.* If any Holder of a Restricted Definitive Registered Note proposes to exchange such Restricted Definitive Registered Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Definitive Registered Notes to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.09, 3.06, 3.09, 4.10, 4.15 and 9.05 hereof).

(3) The Registrar will not be required to register the transfer of or exchange any Second Lien Note selected for redemption in whole or in part, except the unredeemed portion of any Second Lien Note being redeemed in part.

(4) All Global Notes and Definitive Registered Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Registered Notes will be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Registered Notes surrendered upon such registration of transfer or exchange.

(5) The Issuer will not be required to register the transfer or exchange of any Second Lien:

(A) for a period of 15 days prior to any date fixed for the redemption of the Second Lien Notes;

(B) for a period of 15 days immediately prior to the date fixed for selection of Second Lien Notes to be redeemed in part;

(C) for a period of 15 days prior to the record date with respect to any interest payment date; or

(D) which the Holder has tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Sale Offer.

(6) Prior to due presentment for the registration of a transfer of any Second Lien Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Second Lien Note is registered as the absolute owner of such Second Lien Note for the purpose of receiving payment of principal of, interest, premium and Additional Amounts, if any on such Second Lien Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(7) The Trustee or the Authentication Agent will authenticate Global Notes and Definitive Registered Notes in accordance with the provisions of Section 2.02 hereof.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

Section 2.07 *Replacement Notes.*

If any mutilated Second Lien Note is surrendered to the Trustee or the Issuer or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Second Lien Note, the Issuer will issue and the Trustee, or the Authentication Agent, upon receipt of an Authentication Order, will authenticate a replacement Second Lien Note if the Trustee's requirements are met. If required by the Trustee, any Agent, or the Issuer, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee, the relevant Agent, and the Issuer to protect the Issuer, the Trustee and any Agent from any loss that any of them may suffer if a Second Lien Note is replaced. The Issuer, the Trustee and any Agent may charge the relevant Holder for its expenses in replacing a Second Lien Note.

If, after the delivery of such replacement Second Lien Note, a bona fide purchaser of the original Second Lien Note in lieu of which such replacement Second Lien Note was issued presents for payment or registration such original Second Lien Note, the Trustee shall be entitled to recover such replacement Second Lien Note from the Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled

to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer, the Trustee, and any Agent in connection therewith.

Subject to the provisions of the final sentence of the preceding paragraph of this Section 2.07, every replacement Second Lien Note is an obligation of the Issuer and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Second Lien Notes duly issued hereunder.

Section 2.08 *Outstanding Notes.*

The Second Lien Notes outstanding at any time are all the Second Lien Notes authenticated by the Trustee or the Authentication Agent except for those canceled by either of them, those delivered to them for cancellation, those reductions in the interest in a Global Note effected by the Trustee or Authentication Agent in accordance with the provisions hereof and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Second Lien Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Second Lien Note; *provided, however*, that Second Lien Notes held by the Issuer or a Subsidiary of the Issuer shall not be deemed to be outstanding for purposes of Section 3.07 hereof.

If a Second Lien Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Second Lien Note is held by a *bona fide* purchaser in whose hands such Second Lien Note is a legal, valid and binding obligation of the Issuer.

If the entire principal amount and premium, if any, of any Second Lien Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent holds, on a redemption date or maturity date, money sufficient to pay Second Lien Notes payable on that date, and is not prohibited from paying such money to the Holders pursuant to the terms of this Indenture, then on and after that date such Second Lien Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 *Acts by Holders.*

In determining whether the Holders of the required principal amount of Second Lien Notes have concurred in any direction, waiver or consent, Second Lien Notes owned by the Issuer, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuer, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Second Lien Notes that a Responsible Officer of the Trustee actually knows are so owned will be so disregarded.

Notwithstanding any provision to the contrary in this Indenture, Second Lien Notes owned by funds controlled or managed by any direct or indirect shareholder of the Company, or any successor thereof, shall be deemed to be outstanding for the purposes of any amendment, supplement, waiver or other modification requiring the consent by Holders of at least 90% of the aggregate principal amount of the then outstanding Second Lien Notes pursuant to Section 9.02 hereof.

Section 2.10 *Temporary Notes.*

Until certificates representing Second Lien Notes are ready for delivery, the Issuer may prepare and the Trustee, or the Authentication Agent, upon receipt of an Authentication Order, will authenticate, temporary Second Lien Notes. Temporary Second Lien Notes will be substantially in the form of Definitive Registered Notes but may have variations that the Issuer considers appropriate for temporary Second Lien Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer will prepare and the Trustee, or the Authentication Agent, will authenticate Definitive Registered Notes in exchange for temporary Second Lien Notes.

Holders of temporary Second Lien Notes will be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation.*

The Issuer at any time may deliver Second Lien Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Second Lien Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or at the direction of the Trustee, the Registrar or the Paying Agent (other than the Issuer or a subsidiary of the Company) and no one else will cancel all Second Lien Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of such canceled Second Lien Notes (subject to the record retention requirements of the Exchange Act) in its customary manner unless the Issuer directs the Trustee to deliver canceled Second Lien Notes to the Issuer following a written request from the Issuer. The Issuer may not issue new Second Lien Notes to replace Second Lien Notes that it has redeemed or paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest.*

If the Issuer defaults in a payment of interest on the Second Lien Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, in accordance with the terms hereof, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Second Lien Notes and in Section 4.01 hereof. The Issuer will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Second Lien Note and the date of the proposed payment. The Issuer will fix or cause to be fixed each such special record date and payment date in a manner satisfactory to the Trustee; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 10 days before the special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) will mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid. Notwithstanding the foregoing, if the Issuer pays the defaulted interest prior to the date that is 30 days after the date of default in payment of interest, no special record date will be set and payment will be made to the Holders as of the original record date. The Issuer undertakes to promptly inform the Irish Stock Exchange (so long as the Second Lien Notes are listed on the Official List of the Irish Stock Exchange and admitted for trading on the Global Exchange Market and the rules of the Irish Stock Exchange so require) of any such special record date.

Section 2.13 *Additional Amounts.*

(a) All payments made by or on behalf of the Issuer under or with respect to the Second Lien Notes (whether or not in the form of Definitive Registered Notes) or any of the Guarantors with respect to any Second Lien Notes Guarantee will be made free and clear of and without withholding or deduction for, or on account of, any present or future Taxes unless the withholding or deduction of such Taxes is then required by law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of (1) any jurisdiction in which the Issuer or any Guarantor is then incorporated or organized, or otherwise resident for tax purposes or any political subdivision thereof or therein or (2) any jurisdiction from or through which payment is made by or on behalf of the Issuer or any Guarantor (including the jurisdiction of any Paying Agent) or any political subdivision thereof or therein (each, a "*Tax Jurisdiction*") will at any time be required to be made from any payments made by or on behalf of the Issuer under or with respect to the Second Lien Notes or any of the Guarantors under or with respect to any Second Lien Notes Guarantee, including payments of principal, redemption price, purchase price, interest or premium, the Issuer or the relevant Guarantor, as applicable, will pay such additional amounts (the "*Additional Amounts*") as may be necessary in order that the net amounts received in respect of such payments by each Holder after such withholding, deduction or imposition (including any such withholding, deduction or imposition from such Additional Amounts) will equal the respective amounts that would have been received in respect of such payments in the absence of such withholding or deduction; *provided, however*, that no Additional Amounts will be payable with respect to:

- (1) any Taxes that would not have been imposed but for the existence of any actual or deemed (pursuant to applicable Tax law of the relevant Tax Jurisdiction, such as, if applicable, a connection of a partnership that is attributed to the partners/beneficial owners) present or former connection between the Holder or the beneficial owner of the Second Lien Notes and the relevant Tax Jurisdiction (including being a resident of such jurisdiction for Tax purposes), other than the holding of such Second Lien Note, the enforcement of rights under such Second Lien Note or under a Second Lien Notes

Guarantee or the receipt of any payments in respect of such Second Lien Note or a Second Lien Notes Guarantee;

(2) any Taxes imposed as a result of the presentation of a Second Lien Note for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the Holder (except to the extent that the Holder would have been entitled to Additional Amounts had the Second Lien Note been presented on the last day of such 30 day period);

(3) any estate, inheritance, gift, sales, personal property, transfer or similar Taxes;

(4) any Taxes withheld, deducted or imposed on a payment to an individual that are required to be made pursuant to European Council Directive 2003/48/EC or any other directive implementing the conclusions of the ECOFIN Council meeting of 26 and 27 November 2000 on the taxation of savings income, or any law implementing or complying with or introduced in order to conform to, such directive;

(5) Taxes imposed on or with respect to a payment made to a Holder or beneficial owner of Second Lien Notes who would have been able to avoid such withholding or deduction by presenting the relevant Second Lien Note to another Paying Agent in a member state of the European Union;

(6) any Taxes payable other than by deduction or withholding from payments under, or with respect to, the Second Lien Notes or with respect to any Second Lien Notes Guarantee;

(7) any Taxes imposed or withheld by reason of the failure of the Holder or beneficial owner of Second Lien Notes, to comply with any reasonable written request of the Issuer addressed to the Holder and made at least 60 days before any such withholding or deduction would be payable to satisfy any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the Holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case, only to the extent the Holder or beneficial owner is legally entitled to provide such certification or documentation;

(8) any Tax imposed on or with respect to any payment by the Issuer or the relevant Guarantor to the Holder if such Holder is a fiduciary or partnership or person other than the sole beneficial owner of such payment to the extent that Taxes would not have been imposed on such payment had such Holder been the sole beneficial owner of such Second Lien Notes; or

(9) any combination of items (1) through (8) above.

(b) In addition to Section 2.13(a), the Issuer and the Guarantors will also pay and indemnify the Holder for any present or future stamp, issue, registration, court or documentary taxes, or any other excise or property taxes, charges or similar levies (including penalties, interest and any other reasonable expenses related thereto) which are levied by any Tax Jurisdiction on the execution, delivery, issuance, or registration of any of the Second Lien Notes, this Indenture, any Second Lien Notes Guarantee or any other document or instrument referred to therein, or the receipt of any payments with respect thereto, or enforcement of, any of the Second Lien Notes or any Second Lien Notes Guarantee (other than on or in connection with a transfer of the Second Lien Notes other than the initial resale of the Second Lien Notes by the Initial Purchasers).

(c) If the Issuer or any Guarantor, as the case may be, becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Second Lien Notes or any Second Lien Notes Guarantee, each of the Issuer or the relevant Guarantor, as the case may be, will deliver to the Trustee on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises less than 45 days prior to that payment date, in which case the Issuer or the relevant Guarantor shall notify the Trustee promptly thereafter) an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officer's Certificate(s) must also set forth any other

information necessary to enable the Paying Agent to pay such Additional Amounts to Holders on the relevant payment date. The Issuer and the relevant Guarantor will provide the Trustee with documentation satisfactory to the Trustee evidencing the payment of Additional Amounts. The Trustee shall be entitled to rely solely on such Officer's Certificate as conclusive proof that such payments are necessary.

(d) The Issuer or the relevant Guarantor will make all withholdings and deductions required by law and will remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Issuer or the relevant Guarantor will use its reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Issuer or the relevant Guarantor will furnish to the Trustee, within a reasonable time after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer or a Guarantor, as the case may be, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence of payments (reasonably satisfactory to the Trustee) by such entity. Upon reasonable request, copies of Tax receipts or other evidence of payments, as the case may be, will be made available by the Trustee to the Holders or beneficial owners of the Second Lien Notes.

(e) Whenever in this Indenture there is mentioned, in any context, the payment of amounts based upon the principal amount of the Second Lien Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Second Lien Notes or any Second Lien Notes Guarantee, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(f) The obligations in this Section 2.13 will survive any termination, defeasance or discharge of this Indenture, any transfer by a Holder or beneficial owner of its Second Lien Notes, and will apply, *mutatis mutandis*, to any jurisdiction in which any successor Person to the Issuer or any Guarantor is incorporated, engaged in business or otherwise resident for tax purposes or any jurisdiction from or through which such Person makes any payment on the Second Lien Notes (or any Second Lien Notes Guarantee) and any department or political subdivision thereof or therein.

Section 2.14 *Currency Indemnity.*

Any payment on account of an amount that is payable in sterling which is made to or for the account of any Holder or the Trustee in lawful currency of any other jurisdiction (the "*Judgment Currency*"), whether as a result of any judgment or order or the enforcement thereof or the liquidation of the Issuer or any Guarantor, shall constitute a discharge of the Issuer or the Guarantor's obligation under this Indenture and the Second Lien Notes or Second Lien Notes Guarantee, as the case may be, only to the extent of the amount of sterling that such Holder or the Trustee, as the case may be, could purchase in the London foreign exchange markets with the amount of the Judgment Currency in accordance with normal banking procedures at the rate of exchange prevailing on the first Business Day following receipt of the payment in the Judgment Currency. If the amount of sterling that could be so purchased is less than the amount of sterling originally due to such Holder or the Trustee, as the case may be, the Issuer and the Guarantors shall indemnify and hold harmless the Holder or the Trustee, as the case may be, from and against all loss or damage arising out of, or as a result of, such deficiency. This indemnity shall constitute an obligation separate and independent from the other obligations contained in this Indenture or the Second Lien Notes, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder or the Trustee from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due hereunder or under any judgment or order.

Section 2.15 *Agents.*

(a) Actions of Agents. The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several.

(b) Agents of Trustee. The Issuer and the Agents acknowledge and agree that in the event of an Event of Default, the Trustee may, by notice in writing to the Issuer and the Agents, require that the Agents act as agents of, and take instructions exclusively from, the Trustee. Until they have received such written notice from the Trustee, the Agents shall act solely as agents of the Issuer and need have no concern for the interests of the Holders.

(c) Moneys Held. The Agents hold all funds as banker subject to the terms of this Indenture and as a result, such money will not be held in accordance with the rules established by the UK Financial Conduct Authority in the UK Financial Conduct Authority's Handbook of rules and guidance from time to time in relation to client money.

(d) Publication of Notices. Any obligation the Agents may have to publish a notice to Holders of Global Notes on behalf of the Issuer will have been met upon delivery of the notice to Euroclear and/or Clearstream, as applicable.

(e) Authorized Signatories. The Issuer shall provide the Agents with a certified list of authorized signatories within a reasonable time following a request for such list by an Agent.

ARTICLE 3 REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If the Issuer elects to redeem Second Lien Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it must furnish to the Trustee (with a copy to the Paying Agent), at least 30 days but not more than 60 days before a redemption date, an Officer's Certificate setting forth:

- (a) the clause of this Indenture pursuant to which the redemption shall occur;
- (b) the record date for the redemption and the redemption date;
- (c) the principal amount of Second Lien Notes to be redeemed; and
- (d) the redemption price.

Section 3.02 *Selection of Second Lien Notes to Be Redeemed or Purchased.*

If less than all of the Second Lien Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee (or the Registrar, as applicable) will select Second Lien Notes for redemption on a *pro rata* basis (or, in the case of Global Notes based on a method that most nearly approximates a *pro rata* selection as the Trustee or the Registrar deems fair and appropriate), unless otherwise required by law or applicable stock exchange or depository requirements. Neither the Trustee nor the Registrar shall be liable for any selections made by it in accordance with this paragraph.

No Second Lien Note of less than £100,000 in aggregate principal amount shall be redeemed in part.

The Trustee or the Registrar will promptly notify the Issuer in writing of the Second Lien Notes selected for redemption or purchase and, in the case of any Second Lien Notes selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Second Lien Notes and portions of Second Lien Notes selected will be in minimum amounts of £100,000 and integral multiples of £1,000 in excess thereof, except that if all the Second Lien Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Second Lien Notes held by such Holder, even if not a multiple of £1,000 (in excess of £100,000) shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Second Lien Notes called for redemption or purchase also apply to portions of Second Lien Notes called for redemption or purchase.

Section 3.03 *Notice of Redemption.*

Except as otherwise provided herein, at least 30 days but not more than 60 days before a redemption date, the Issuer shall transmit a notice of redemption in accordance with Section 14.01 and as provided below to each Holder whose Second Lien Notes are to be redeemed, at such Holder's registered address, except that redemption

notices may be transmitted more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Second Lien Notes pursuant to Article 8 hereof or a satisfaction and discharge of this Indenture pursuant to Article 10 hereof. For Second Lien Notes which are represented by Global Notes held on behalf of Euroclear or Clearstream, notices may be given by delivery of the relevant notices to Euroclear for communication to entitled account holders in substitution for the aforesaid mailing. So long as the Second Lien Notes are listed on the Irish Stock Exchange and if required by the rules of the Irish Stock Exchange, notice will be published in Ireland in a daily leading newspaper with general circulation in Ireland (which is expected to be the *Irish Times*) or on the website of the Irish Stock Exchange (which, as of the Issue Date, is *www.ise.ie*) and in connection with any redemption, the Issuer will notify the Irish Stock Exchange of any change in the principal amount of Second Lien Notes outstanding.

The notice will identify the Second Lien Notes to be redeemed and will state:

- (a) the record date for the redemption and the redemption date;
- (b) the redemption price, and, if applicable, the appropriate calculation of such redemption price and the amount of accrued interest, if any, and Additional Amounts, if any, to be paid to the redemption date;
- (c) if any Second Lien Note is being redeemed in part, the portion of the principal amount of such Second Lien Note to be redeemed and that, after the redemption date upon surrender of such Second Lien Note, such portion of the Second Lien Notes will be cancelled (in the case of Global Notes) or Second Lien Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Second Lien Note (in the case of Definitive Registered Notes);
- (d) the name and address of the Paying Agent;
- (e) that Second Lien Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (f) that, unless the Issuer defaults in making such redemption payment or the relevant Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Second Lien Notes called for redemption ceases to accrue on and after the redemption date;
- (g) the paragraph of the Second Lien Notes and/or Section of this Indenture pursuant to which the Second Lien Notes called for redemption are being redeemed;
- (h) the ISIN or Common Code, as applicable, if any, printed on the Second Lien Notes being redeemed; and
- (i) that no representation is made as to the correctness or accuracy of the ISIN or Common Code, if any, listed in such notice or printed on the Second Lien Notes.

At the Issuer's request, the Trustee or Registrar shall give the notice of redemption in the Issuer's name and at its expense. In such event, the Issuer shall provide the Trustee or Registrar with the information required and within the time periods specified by this Section.

Section 3.04 *Effect of Notice of Redemption.*

Any redemption and notice may, at the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Section 3.05 *Deposit of Redemption or Purchase Price.*

No later than 10:00 a.m. (London time) one Business Day prior to the redemption or purchase date, the Issuer will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued and unpaid interest, if any, and Additional Amounts, if any, on all Second Lien Notes to be redeemed or purchased on that date other than Second Lien Notes or portions of Second Lien Notes called for redemption that have been delivered by the Issuer to the Trustee for cancellation. The Trustee or the Paying Agent will promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption or purchase price of, and accrued and unpaid interest, if any, and Additional Amounts, if any, on, all Second Lien Notes to be redeemed or purchased. Neither the Trustee nor any Agent shall be required to pay out any money without first having been placed in funds.

If the Issuer complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Second Lien Notes or the portions of Second Lien Notes called for redemption or purchase unless the relevant Paying Agent is prohibited from making such redemption payment pursuant to the terms of this Indenture. If a Second Lien Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Second Lien Note was registered at the close of business on such record date. If any Second Lien Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Second Lien Notes and in Section 4.01 hereof.

Section 3.06 *Second Lien Notes Redeemed or Purchased in Part.*

Subject to the terms hereof, upon surrender of a Second Lien Note that is redeemed in part, the Issuer shall execute and upon receipt of an Authentication Order, the Trustee, or the Authentication Agent, shall authenticate for the Holder (at the Issuer's expense), (a) in the case of a Definitive Registered Note, a new Definitive Registered Note in principal amount equal to the unredeemed portion of the original Second Lien Note upon cancellation of the original Definitive Registered Note and (b) in the case of a Global Note, the Registrar shall make an appropriate notation on such Global Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof. Subject to the terms of the applicable redemption notice, Second Lien Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on Second Lien Notes or portions of Second Lien Notes called for redemption.

Section 3.07 *Optional Redemption.*

(a) At any time prior to 1 June 2016, the Issuer may on any one or more occasions redeem up to 40% of the aggregate principal amount of Second Lien Notes issued under this Indenture, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 108.5% of the principal amount of the Second Lien Notes redeemed, plus accrued and unpaid interest and Additional Amounts, if any, to the date of redemption (subject to the rights of holders of Second Lien on the relevant record date to receive interest on the relevant interest payment date), with the net cash proceeds of one or more Equity Offerings the proceeds of which are contributed to the Company (other than in the form of an Excluded Contribution or Parent Debt Contribution) in the form of a subscription for, or a capital contribution in respect of, Capital Stock (other than Disqualified Stock) of the Company or as Subordinated Shareholder Debt of the Company, *provided that*:

- (1) at least 60% of the aggregate principal amount of the Second Lien Notes originally issued under this Indenture (excluding Second Lien Notes held by the Company and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and
- (2) the redemption occurs within 180 days of the date of the closing of such Equity Offering.

(b) At any time prior to 1 June 2016, the Issuer may on any one or more occasions redeem all or a part of the Second Lien Notes upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of the Second Lien Notes redeemed, plus the Applicable Premium as of, and accrued and unpaid interest and Additional Amounts, if any, to the date of redemption, subject to the rights of holders of the Second Lien Notes on the relevant record date to receive interest due on the relevant interest payment date.

(c) Except pursuant to Sections 3.07(a) and 3.07(b) and except pursuant to Section 3.10, the Second Lien Notes will not be redeemable at the Issuer's option prior to 1 June 2016.

(d) On or after 1 June 2016, the Issuer may on any one or more occasions redeem all or a part of Second Lien Notes upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest and Additional Amounts, if any, on the Second Lien Notes redeemed, to the applicable date of redemption, if redeemed on or after the dates indicated below, subject to the rights of holders of Second Lien Notes on the relevant record date to receive interest on the relevant interest payment date:

<u>Date</u>	<u>Redemption Price</u>
June 2016	104.250%
June 2017	102.125%
June 2018	100.000%

(e) Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Second Lien Notes or portions thereof called for redemption on the applicable redemption date.

(f) Any redemption pursuant to Sections 3.07(a) through 3.07(e) hereof shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof. Any redemption and notice may, in the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent.

Section 3.08 *Mandatory Redemption.*

The Issuer is not required to make mandatory redemption payments or sinking fund payments with respect to the Second Lien Notes.

Section 3.09 *Asset Sale Offer.*

In the event that, pursuant to Section 4.10 hereof, the Issuer is required to commence an Asset Sale Offer, it shall follow the procedures specified below. Upon the commencement of an Asset Sale Offer, the Issuer shall transmit a notice to the Trustee and the Holders in accordance with Section 14.01 stating:

- (a) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof and the length of time the Asset Sale Offer will remain open;
- (b) the Asset Sale Offer Amount, the purchase price and the Asset Sale Purchase Date;
- (c) that any Second Lien Note not tendered or accepted for payment will continue to accrue interest;
- (d) that, unless the Issuer defaults in making such payment, any Second Lien Note accepted for payment pursuant to the Asset Sale Offer will cease to accrue interest on and after the Asset Sale Purchase Date;
- (e) that Holders electing to have a Second Lien Note purchased pursuant to an Asset Sale Offer may elect to have Second Lien Notes purchased only in minimum denominations of £100,000 and in integral

multiples of £1,000, in excess thereof, except that a Holder may elect to have all of the Second Lien Notes held by such Holder purchased even if not an integral multiple of £1,000 (in excess of £100,000);

(f) that Holders electing to have a Second Lien Note purchased pursuant to any Asset Sale Offer will be required to surrender the Second Lien Note, with the form entitled “Option of Holder to Elect Purchase” attached to the Second Lien Note completed, or transfer by book-entry transfer, to the Issuer, a Depositary, if appointed by the Issuer, or a Paying Agent at the address specified in the notice at least three days before the Asset Sale Purchase Date;

(g) the procedure for withdrawing an election to tender;

(h) that if the aggregate principal amount of the Second Lien Notes surrendered in any Asset Sale Offer by Holders and other *pari passu* Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, or if the aggregate principal amount of Second Lien Notes tendered pursuant to an Asset Sale Offer that is an application of Net Proceeds pursuant to clause (1) of Section 4.10(b) exceeds the amount of the Net Proceeds so applied, the Trustee or the Registrar, as applicable will select the Second Lien Notes and such other *pari passu* Indebtedness, if applicable, to be purchased on a *pro rata* basis (or in the manner described under Section 3.02), based on the amounts tendered or required to be prepaid or redeemed; and

(i) that Holders whose Second Lien Notes were purchased only in part will be issued new Second Lien Notes equal in principal amount to the unpurchased portion of the Second Lien Notes surrendered (or transferred by book-entry transfer).

The Asset Sale Offer, in so far as it relates to the Second Lien Notes, will remain open for a period of not less than 20 Business Days following its commencement (the “*Asset Sale Offer Period*”). No later than five Business Days after the termination of the Asset Sale Offer Period (the “*Asset Sale Purchase Date*”), the Issuer will purchase the principal amount of Second Lien Notes and, to the extent they elect, *pari passu* Indebtedness required to be purchased pursuant to Section 4.10 (the “*Asset Sale Offer Amount*”) or, if less than the Asset Sale Offer Amount has been so validly tendered, all Notes and *pari passu* Indebtedness validly tendered in response to the Asset Sale Offer.

On or before the Asset Sale Purchase Date, the Issuer will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Asset Sale Offer Amount of Second Lien Notes and *pari passu* Indebtedness or portions of Second Lien Notes and *pari passu* Indebtedness so validly tendered and not properly withdrawn pursuant to the Asset Sale Offer, or if less than the Asset Sale Offer Amount has been validly tendered and not properly withdrawn, all Second Lien Notes and *pari passu* Indebtedness so validly tendered and not properly withdrawn and in minimum denominations of £100,000 and in integral multiples of £1,000 in excess thereof.

The Issuer will deliver to the Trustee an Officer’s Certificate stating that such Second Lien Notes or portions thereof were accepted for payment by the Issuer in accordance with the terms of this Section 3.09. The Issuer or the Paying Agent, as the case may be, will promptly (but in any case not later than five Business Days after termination of the Asset Sale Offer Period) mail or deliver to each tendering Holder an amount equal to the purchase price of the Second Lien Notes so validly tendered and not properly withdrawn by such Holder, and accepted by the Issuer for purchase, and the Issuer will promptly issue a new Second Lien Note (or amend the Global Note), and the Trustee, or the Authentication Agent, upon delivery of an Officer’s Certificate from the Issuer, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Second Lien Note to such Holder, in a principal amount equal to any unpurchased portion of the Second Lien Note surrendered; *provided* that each such new Second Lien Note will be in a principal amount with a minimum denomination of £100,000 or an integral multiples of £1,000 in excess thereof. Any Second Lien Note not so accepted will be promptly mailed or delivered (or transferred by book entry) by the Issuer to the Holder thereof.

Other than as specifically provided in this Section 3.09, any purchase pursuant to this Section 3.09 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.10 *Redemption for Taxation Reasons.*

(a) The Issuer may redeem the Second Lien Notes, in whole but not in part, at its discretion at any time upon giving not less than 30 nor more than 60 days' prior notice to the holders of the Second Lien Notes (which notice will be irrevocable and given in accordance with the procedures described in Section 3.03), at a redemption price equal to 100% of the aggregate principal amount thereof, together with accrued and unpaid interest, if any, to the date fixed by the Issuer for redemption (a "*Tax Redemption Date*") and all Additional Amounts (if any) then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of holders of the Second Lien Notes on the relevant record date to receive interest due on the relevant interest payment date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Second Lien Notes, the Issuer or any Guarantor (each, a "*Payor*") is or would be required to pay Additional Amounts (but, in the case of a Payor that is a Guarantor, only if the payment giving rise to such requirement cannot be made by the Issuer or another Guarantor who can make such payment without the obligation to pay Additional Amounts), and the Payor cannot avoid any such payment obligation by taking reasonable measures available, and the requirement arises as a result of:

(1) any amendment to, or change in, the laws or treaties or any regulations or rulings promulgated thereunder of a relevant Tax Jurisdiction which change or amendment is announced and becomes effective on or after the Issue Date (or, if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the Issue Date, such later date); or

(2) any amendment to, or change in, an official written interpretation or application of such laws, treaties, regulations or rulings (including by virtue of a holding, judgment, order by a court of competent jurisdiction or a change in published administrative practice) which amendment or change is announced and becomes effective on or after the Issue Date (or, if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the Issue Date, such later date) (each of the foregoing clauses (1) and (2), a "*Change in Tax Law*").

(b) The Issuer will not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Payor would be obligated to make such payment or withholding if a payment in respect of the Second Lien Notes was then due, and the obligation to pay Additional Amounts must be in effect at the time such notice is given. Prior to the publication or, where relevant, mailing of any notice of redemption of the Second Lien Notes pursuant to the foregoing, the Issuer will deliver to the Trustee (i) an Officer's Certificate stating that obligation to pay such Additional Amounts cannot be avoided by the Payor taking reasonable measures available to it (including, in the case of a Payor that is a Guarantor, that the payment giving rise to such requirement cannot be made by the Issuer or another Guarantor who can make such payment without the obligation to pay Additional Amounts); and (ii) a written opinion of independent tax counsel to the Issuer of recognized standing qualified under the laws of the relevant Tax Jurisdiction and reasonably satisfactory to the Trustee (such approval not to be unreasonably withheld) to the effect that the Issuer has or will become obligated to pay such Additional Amounts as a result of a Change in Tax Law.

(c) The Trustee will accept and shall be entitled to rely on such Officer's Certificate and Opinion of Counsel as sufficient evidence of the existence and satisfaction of the conditions precedent as described above, in which event it will be conclusive and binding on the Holders.

(d) The foregoing provisions will apply *mutatis mutandis* to the laws and official positions of any jurisdiction in which any successor to a Payor is organized or otherwise considered to be a resident for tax purposes or any political subdivision or taxing authority or agency thereof or therein. The foregoing provisions will survive any termination, defeasance or discharge of this Indenture.

ARTICLE 4
COVENANTS

Section 4.01 *Payment of Second Lien Notes.*

The Issuer shall pay or cause to be paid the principal of, premium, if any, and interest and Additional Amounts, if any, on the Second Lien Notes on the dates and in the manner provided in the Second Lien Notes. Principal, premium, if any, and interest and Additional Amounts, if any, will be considered paid on the date due if the Paying Agent holds, as of 10:00 a.m., London time, one Business Day prior to such date (or such other time as the Issuer and the Paying Agent may mutually agree from time to time, but always subject to actual receipt), money deposited by the Issuer in immediately available funds and designated for and sufficient to pay all principal, premium and Additional Amounts, if any, and interest then due and is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture. The Issuer will promptly notify the Trustee and the applicable Paying Agent of its failure to so deposit. Subject to actual receipt of such funds as provided by this Section 4.01 by the designated Paying Agent, such Paying Agent shall make payments on the Second Lien Notes in accordance with this Indenture. In any event, the Issuer shall, prior to 10:00 a.m., London time, two Business Days prior to the date on which the Principal Paying Agent receives payment, procure that the bank effecting payment for it confirms by SWIFT message to the Principal Paying Agent that an irrevocable payment instruction has been given. For the avoidance of doubt, a Paying Agent shall only be obliged to make payments to Holders provided it has actually received funds from the Issuer as provided by, and in the manner contemplated in, Section 2.04 and this Section 4.01. Subject to actual receipt of funds so contemplated, the Paying Agent shall make payments on the Second Lien Notes in accordance with the provisions of this Indenture.

The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at a rate that is 1% higher than the then applicable interest rate on the Second Lien Notes to the extent lawful. The Issuer will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period), at the same rate to the extent lawful.

Section 4.02 *Maintenance of Office or Agency.*

The Issuer shall maintain an office or agency (which may be an office of the Trustee or an Affiliate of the Trustee, Registrar or co-registrar) for the Second Lien Notes in London, England, and for so long as the Second Lien Notes are listed on the Irish Stock Exchange, in Ireland, where (1) Second Lien Notes may be surrendered for registration of transfer or for exchange and (2) notices and demands to or upon the Issuer in respect of the Second Lien Notes and this Indenture may be served. The Issuer will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency.

The Issuer may also from time to time designate one or more other offices or agencies where the Second Lien Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission will in any manner relieve the Issuer of its obligation to maintain an office or agency in London, England, and for so long as any Second Lien Notes are listed on the Irish Stock Exchange, in Ireland, for such purposes. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 4.03 *Reports.*

(a) For so long as any Second Lien Notes are outstanding, the Company will furnish to the Trustee the following reports:

(1) within 120 days after the end of the Company's fiscal year beginning with the fiscal year ending 31 March 2014, annual reports containing the following information: (a) audited consolidated balance sheet of the Company as of the end of the two most recent fiscal years and audited consolidated income statements and statements of cash flow of the Company for the two most recent fiscal years, including complete footnotes to such financial statements and the report of the independent auditors on the

(2) within 60 days following the end of each of the first three fiscal quarters in each fiscal year of the Company (90 days in the case of the fiscal quarter ending 30 June 2013), quarterly reports containing the following information: (a) an unaudited condensed consolidated balance sheet as of the end of such quarter and unaudited condensed statements of income and cash flow for the quarterly and year to date periods ending on the unaudited condensed balance sheet date, and the comparable prior year periods for the Company, together with condensed footnote disclosure; (b) *pro forma* income statement and balance sheet information of the Company (which need not comply with Article 11 of Regulation S-X under the U.S. Exchange Act), together with explanatory footnotes, for any acquisitions, dispositions or recapitalizations that have occurred since the beginning of the most recently completed fiscal quarter as to which such quarterly report relates (*provided* that such *pro forma* financial information will be provided only to the extent available without unreasonable expense, in which case, the Company will provide, in the case of a material acquisition, acquired company financials); (c) an operating and financial review of the unaudited financial statements (including a discussion by business segment), including a discussion of the consolidated financial condition and results of operations of the Company and any material change between the current quarterly period and the corresponding period of the prior year; and (d) material recent developments; and

provided, however, that the reports set forth in clauses (1), (2) and (3) above will not be required to (i) contain any reconciliation to U.S. generally accepted accounting principles or (ii) include separate financial statements for any Guarantors or non-guarantor Subsidiaries of the Company.

(b) In addition, if the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries and such Subsidiaries are Significant Subsidiaries, then the quarterly and annual financial information required by the preceding paragraph will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

(c) All financial statements will be prepared in accordance with GAAP. Except as provided for above, no report need include separate financial statements for the Company or Subsidiaries of the Company or any disclosure with respect to the results of operations or any other financial or statistical disclosure not of a type included in the Offering Memorandum.

(d) In addition, for so long as any Second Lien Notes remain outstanding, the Company has agreed that it will furnish to the holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(e) Contemporaneously with the furnishing of each such report discussed above, the Company will also post such report on the Company's website. The Company will also make available copies of all reports required by clauses (1) through (3) of Section 4.03(a), if and so long as the Second Lien Notes are listed on the Official List of the Irish Stock Exchange and admitted for trading on the Global Exchange Market and the rules of the Irish Stock Exchange so require, at the offices of the listing agent in Ireland.

Section 4.04 *Compliance Certificates.*

(a) The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year, an Officer's Certificate indicating whether the signers thereof know of any Default that occurred during the previous year (and, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which the signer may have knowledge and what action the Issuer is taking or proposes to take with respect thereto).

(b) So long as any of the Second Lien Notes are outstanding, the Issuer will promptly deliver written notice to the Trustee after any Officer of the Issuer becoming aware of any Default or an Event of Default, an Officer's Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take in respect thereof.

Section 4.05 *Taxes.*

The Issuer and the Company shall pay, and the Company shall cause each Restricted Subsidiary to pay, prior to delinquency, all Taxes except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders.

Section 4.06 *Payments for Consent.*

The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Second Lien Notes unless such consideration is offered to be paid and is paid to all Holders that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Section 4.07 *Restricted Payments.*

(a) The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly:

(2) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving the Company) any Equity Interests of the Company or any Parent Holdco of the Company held by Persons other than the Company or a Restricted Subsidiary of the Company (other than in exchange for Equity Interests of the Company (other than Disqualified Stock));

(3) make any principal payment on or with respect to, or purchase, repurchase, redeem, defease or otherwise acquire or retire for value, prior to scheduled maturity, scheduled repayment or scheduled sinking fund payment, any Indebtedness of the Issuer or any Guarantor that is expressly contractually subordinated in right of payment to the Second Lien Notes or to any Second Lien Notes Guarantee (excluding any intercompany Indebtedness between or among the Company and any of its

Restricted Subsidiaries), except (i) a payment of interest or principal at the Stated Maturity thereof, or (ii) the purchase, repurchase, redemption, defeasance or other acquisition of Indebtedness purchased in anticipation of satisfying a sinking fund obligation, principal installment or scheduled maturity, in each case due within one year of the date of such payment, purchase, repurchase, redemption, defeasance or other acquisition or retirement;

(4) make any payment (except through capitalization) on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any Subordinated Shareholder Debt; or

(5) make any Restricted Investment,

(all such payments and other actions set forth in these clauses (1) through (5) above being collectively referred to as “*Restricted Payments*”), unless, at the time of any such Restricted Payment:

(A) no Default or Event of Default has occurred and is continuing or would occur immediately thereafter as a consequence of such Restricted Payment;

(B) the Company would, at the time of such Restricted Payment and after giving *pro forma* effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least £1.00 of additional Indebtedness pursuant to Section 4.09(a)(1); and

(C) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Company and its Restricted Subsidiaries since the Issue Date (and not returned or rescinded) (including Restricted Payments permitted by clauses (1), (13), (19) and (20) of the next succeeding paragraph, but excluding all other Restricted Payments permitted by the next succeeding paragraph), is less than the sum, without duplication, of:

(i) 50% of Consolidated Net Income of the Company for the period (treated as one accounting period) from the first day of the fiscal quarter commencing prior to the Issue Date to the end of the most recent fiscal quarter ending prior to the date of such Restricted Payment for which internal consolidated financial statements of the Company are available (or, in the case such Consolidated Net Income is a deficit, minus 100% of such deficit);

(ii) 100% of the aggregate Net Cash Proceeds, and the fair market value (as determined in accordance with the next succeeding paragraph) of property or assets or marketable securities, received by the Company from the issue or sale of its Equity Interests (other than Disqualified Stock or Designated Preference Shares) or Subordinated Shareholder Debt subsequent to the Issue Date or otherwise contributed to the equity (other than through the issuance of Disqualified Stock or Designated Preference Shares) of the Company subsequent to the Issue Date (other than (w) Subordinated Shareholder Debt or Capital Stock in each case sold to a Subsidiary of the Company, (x) Net Cash Proceeds or property or assets or marketable securities received from an issuance or sale of such Capital Stock to a Subsidiary of the Company or an employee stock ownership plan or trust established by the Company or any Subsidiary of the Company for the benefit of its employees to the extent funded by the Company or any Restricted Subsidiary, (y) Net Cash Proceeds or property or assets or marketable securities to the extent that any Restricted Payment has been made from such proceeds in reliance on clause (4) of the second succeeding paragraph and (z) Excluded Contributions or Parent Debt Contributions);

provided, however, that no amount will be included in Consolidated Net Income for purposes of the preceding clause (i) to the extent that it is (at the Issuer's option) including in the foregoing clause (iv), (v) or (vi).

The fair market value of property or assets other than cash covered by the preceding sentence shall be the Fair Market Value thereof, or, if such fair market value exceeds £15.0 million, as determined in good faith by the Board of Directors of the Company.

(b) The preceding provisions will not prohibit:

(1) the payment of any dividend or the consummation of any redemption within 60 days after the date of declaration of the dividend or giving of the redemption notice, as the case may be, if at the date of declaration or notice, the dividend or redemption payment would have complied with the provisions of this Indenture;

Section 4.08 *Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries.*

(a) The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to:

(1) pay dividends or make any other distributions on its Capital Stock to the Company or any Restricted Subsidiary, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Company or any Restricted Subsidiary;

(2) make loans or advances to the Company or any Restricted Subsidiary; or

(3) sell, lease or transfer any of its properties or assets to the Company or any Restricted Subsidiary,

provided that (x) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock and (y) the subordination of (including the application of any standstill period to) loans or advances made to the Company or any Restricted Subsidiary to other Indebtedness incurred by the Company or any Restricted Subsidiary, in each case, shall not be deemed to constitute such an encumbrance or restriction.

(b) The provisions of Section 4.08(a) will not apply to encumbrances or restrictions existing under or by reason of:

(1) (a) any agreements as in effect on the Issue Date or (b) any other agreement or instrument with respect to the Company or any Restricted Subsidiary in effect or entered into on the Issue Date and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements referred to in clauses (a) and (b) of this Section 4.08(b)(1); *provided* that the amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings are not materially more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in those agreements on the Issue Date or the Issue Date, as applicable (as determined in good faith by the Company) or would not, in the good faith determination of the Company, materially impair the ability of the Issuer to make payments on the Second Lien Notes;

(2) this Indenture, the Second Lien Notes, the Second Lien Notes Guarantees, the Revolving Credit Facility, the Senior Secured Notes Indenture, the Senior Secured Notes, the Senior Secured Notes Guarantees, the Intercreditor Agreement, any Additional Intercreditor Agreement and the Security Documents;

(3) agreements governing other Indebtedness permitted to be incurred under Section 4.09 and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; *provided* that the restrictions therein are not materially less favorable to the Holders than is customary in comparable financings (as determined in good faith by the Company);

(4) applicable law, rule, regulation or order or the terms of any license, authorization, concession or permit;

(5) any instrument governing Indebtedness or Capital Stock of a Person acquired by the Company or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness or Capital Stock was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; *provided* that, in the case of Indebtedness, such Indebtedness was permitted by the terms of this Indenture to be incurred;

(6) customary non-assignment and similar provisions in contracts, leases and licenses entered into in the ordinary course of business;

(7) purchase money obligations for property acquired in the ordinary course of business and Capital Lease Obligations that impose restrictions on the property purchased or leased of the nature described in clause (3) of Section 4.08(a);

(8) any agreement for the sale or other disposition of the Capital Stock or all or substantially all of the property and assets of a Restricted Subsidiary that restricts distributions by that Restricted Subsidiary pending its sale or other disposition;

(9) Permitted Refinancing Indebtedness; *provided* that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced as determined in good faith by the Company or would not in the good faith determination of the Company, materially impair the ability of the Issuer to make payments on the Second Lien Notes;

(10) Liens permitted to be incurred under the provisions of Section 4.12 that limit the right of the debtor to dispose of the assets subject to such Liens;

(11) customary provisions limiting the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements in the ordinary course of business (including agreements entered into in connection with a Restricted Investment), which limitation is applicable only to the assets that are the subject of such agreements;

(12) restrictions on cash or other deposits or net worth imposed by customers or suppliers or required by insurance, surety or bonding companies, in each case, under contracts entered into in the ordinary course of business;

(13) any Qualified Receivables Financing; and

(14) any encumbrance or restriction existing under any agreement that extends, renews, refinances or replaces the agreements containing the encumbrances or restrictions in the foregoing clauses (1) through (13), or in this clause (14); *provided* that the terms and conditions of any such encumbrances or restrictions are no more restrictive in any material respect than those under or pursuant to the agreement so extended, renewed, refinanced or replaced or would not in the good faith determination of the Company, materially impair the ability of the Issuer to make payments on the Second Lien Notes.

Section 4.09 *Incurrence of Indebtedness and Issuance of Preferred Stock.*

(a) The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, “*incur*”) any Indebtedness (including Acquired Debt), and the Company will not issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries to issue any shares of Preferred Stock; *provided, however:*

(1) that the Company may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock and the Issuer and any other Restricted Subsidiary may incur Indebtedness (including Acquired Debt) and issue Preferred Stock, if the Fixed Charge Coverage Ratio for the Company’s most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or Preferred Stock is issued, as the case may be, would have been at least 2.0 to 1.0, in each case, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Stock or Preferred Stock had been issued, as the case may be, at the beginning of such four quarter period; and

(2) if the Indebtedness to be incurred is Senior Secured Indebtedness, the Issuer and any Restricted Subsidiary may incur such Senior Secured Indebtedness if the Consolidated Senior Secured Leverage Ratio for the Company’s most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred

is less than 4.75 to 1.0 determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the Indebtedness had been incurred at the beginning of such four quarter period.

Restricted Subsidiaries that are not Guarantors may only incur Indebtedness pursuant to this paragraph if on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), the aggregate amount of Indebtedness of Restricted Subsidiaries that are not Guarantors incurred pursuant to this paragraph would not exceed £10 million.

(b) Section 4.09(a) will not prohibit the incurrence of any of the following items of Indebtedness (collectively, “*Permitted Debt*”):

(1) Indebtedness under Credit Facilities in an aggregate principal amount at any one time outstanding under this clause (1) not to exceed the greater of £100 million and 14.2% of the Company’s Total Assets, *plus* in the case of any refinancing of any Indebtedness permitted under this clause (1) or any portion thereof, the aggregate amount of fees, underwriting discounts, premiums and other costs and expenses incurred in connection with such refinancing;

(2) Indebtedness outstanding on the Issue Date;

(3) the incurrence by the Company and the Guarantors of Indebtedness represented by the Senior Secured Notes, guarantees of the Senior Secured Notes, the Second Lien Notes (other than Additional Second Lien Notes), and the related Second Lien Notes Guarantees (including any future Second Lien Notes Guarantees);

(5) the incurrence by the Company or any Restricted Subsidiary of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge any Indebtedness (other than intercompany Indebtedness) incurred under Section 4.09(a) or clause (2), (3), (5), (13) or (19) of this Section 4.09(b);

(6) the incurrence by the Company or any Restricted Subsidiary of intercompany Indebtedness between or among the Company or any Restricted Subsidiary; *provided that*:

(A) if the Issuer or any Guarantor is the obligor on such Indebtedness and the payee is not the Issuer or a Guarantor, such Indebtedness must be unsecured and ((i) except in respect of the intercompany current liabilities incurred in the ordinary course of business in connection with the cash management operations of the Company and its Restricted Subsidiaries and (ii) only to the extent legally permitted (the Company and its Restricted Subsidiaries having completed all procedures required in the reasonable judgment of directors of officers of the obligee or obligor to protect such Persons from any penalty or civil or criminal liability in connection with the subordination of such Indebtedness)) expressly subordinated to the prior payment in full in cash of all Obligations then due with respect to the Second Lien Notes, in the case of the Company, or the Second Lien Notes Guarantee, in the case of a Guarantor, to the extent required by the Intercreditor Agreement; and

(B) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Company or a Restricted Subsidiary and (ii) any sale or other transfer of any such Indebtedness to a Person that is not either the Company or a Restricted Subsidiary, will be deemed, in each case, to constitute an incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be, that was not permitted by this clause (6);

(7) the issuance by any Restricted Subsidiary to the Company or to any of its Restricted Subsidiaries of Preferred Stock; *provided* that:

(A) any subsequent issuance or transfer of Equity Interests that results in any such Preferred Stock being held by a Person other than the Company or a Restricted Subsidiary; and

(B) any sale or other transfer of any such Preferred Stock to a Person that is not either the Company or a Restricted Subsidiary,

will be deemed, in each case, to constitute an issuance of such Preferred Stock by such Restricted Subsidiary that was not permitted by this clause (7);

(8) the incurrence by the Company or any Restricted Subsidiary of Hedging Obligations not for speculative purposes (as determined in good faith by the Board of Directors or a member of senior management of the Company);

(9) the guarantee by the Company or any Restricted Subsidiary of Indebtedness of the Company or any Restricted Subsidiary to the extent that the guaranteed Indebtedness was permitted to be incurred by another provision of this Section 4.09; *provided* that if the Indebtedness being guaranteed is subordinated to or *pari passu* with the Second Lien Notes or a Second Lien Notes Guarantee, then the guarantee must be subordinated or *pari passu*, as applicable, to the same extent as the Indebtedness guaranteed;

(10) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness in respect of workers' compensation claims, self-insurance obligations, captive insurance companies, bankers' acceptances, performance and surety bonds in the ordinary course of business;

(11)

(A) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; *provided, however*, that such Indebtedness is extinguished within 30 Business Days of incurrence;

(B) customer deposits and advance payments received in the ordinary course of business from customers for goods or services purchased in the ordinary course of business;

(C) Indebtedness owed on a short-term basis of no longer than 30 days to banks and other financial institutions incurred in the ordinary course of business of the Company and its Restricted Subsidiaries with such banks or financial institutions that arises in connection with ordinary banking arrangements to manage cash balances of the Company and its Restricted Subsidiaries; and

(D) Indebtedness incurred in connection with bankers acceptances, discounted bills of exchange or the discounting or factoring of receivables for credit management of bad debt purposes, in each case incurred or undertaken in the ordinary course of business;

(12) Indebtedness represented by guarantees of any Management Advances;

(13) Indebtedness of any Person outstanding on the date on which such Person becomes a Restricted Subsidiary or is merged, consolidated, amalgamated or otherwise combined with (including pursuant to any acquisition of assets and assumption of related liabilities) the Company or any Restricted Subsidiary or Indebtedness incurred in relation to any such acquisition, merger, consolidation, amalgamation or combination; *provided, however*, with respect to this clause (13), that at the time of the acquisition or other transaction pursuant to which such Indebtedness was incurred or deemed to be incurred (i)(a) the Company would have been able to incur £1.00 of additional Indebtedness pursuant to Section 4.09(a) after giving effect to the incurrence of such Indebtedness pursuant to this clause (13) calculated on a pro forma basis or (b) the Fixed Charge Coverage Ratio would not be less than it was immediately prior to giving effect to such acquisition or other transaction on a pro forma basis and (ii) if the Indebtedness is Senior Secured Indebtedness, the Consolidated Secured Leverage Ratio would not be greater than it was immediately prior to giving effect to such acquisition or other transaction on a pro forma basis;

(14) Indebtedness arising from agreements of the Company or a Restricted Subsidiary providing for customary indemnification, obligations in respect of earnouts or other adjustments of purchase price or, in each case, similar obligations, in each case, incurred or assumed in connection with the acquisition or disposition of any business or assets or Person or any Equity Interests of a Subsidiary;

(15) Indebtedness of the Company and its Restricted Subsidiaries in respect of (A) letters of credit, surety, performance or appeal bonds, completion guarantees, judgment, advance payment, customs, VAT or other tax guarantees or similar instruments issued in the ordinary course of business of such Person and not in connection with the borrowing of money, including letters of credit or similar instruments in respect of self-insurance and workers compensation obligations, and (B) any customary cash management, cash pooling or netting or setting off arrangements, including customary credit card facilities, entered into in the ordinary course of business; *provided, however*, that upon the drawing of such letters of credit or other instrument, such obligations are reimbursed within 30 days following such drawing;

(16) guarantees by the Company or any Restricted Subsidiary granted to any trustee of any management equity plan or stock option plan or any other management or employee benefit or incentive plan or unit trust scheme approved by the Board of Directors of the Company, so long as the proceeds of the Indebtedness so guaranteed are used to purchase Equity Interests of the Company (other than Disqualified Stock); *provided* that the amount of any net cash proceeds from the sale of such Equity Interests of the Company will be excluded from Section 4.07(a)(C)(ii) and will not be considered to be net cash proceeds from an Equity Offering for purposes of Section 3.07;

(17) the incurrence of Indebtedness by the Company or any of its Restricted Subsidiaries in an aggregate principal amount at any time outstanding, including all Indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred pursuant to this clause (17), not to exceed the greater of £30 million and 4.2% of the Company's Total Assets;

(18) Indebtedness incurred by a Receivables Subsidiary in a Qualified Receivables Financing that is not recourse to the Company or any Restricted Subsidiary other than a Receivables Subsidiary (except for Standard Securitization Undertakings); and

(19) Indebtedness of the Issuer or any Guarantor in an aggregate outstanding principal amount which, when taken together with any Refinancing Indebtedness in respect thereof and the principal amount of all other Indebtedness incurred pursuant to this clause (19) and then outstanding, will not exceed 100% of the Net Cash Proceeds received by the Company from the issuance or sale (other than to a Restricted Subsidiary) of its Subordinated Shareholder Debt or Capital Stock (other than Disqualified Stock, Designated Preference Shares, a Parent Debt Contribution or an Excluded Contribution) or otherwise contributed to the equity (other than through the issuance of Disqualified Stock, Designated Preference Shares, a Parent Debt Contribution or an Excluded Contribution) of the Company, in each case, subsequent to the Issue Date; *provided, however*, that (i) any such Net Cash Proceeds that are so received or contributed shall be excluded for purposes of making Restricted Payments under Section 4.07(a) and clauses (2), (4) and (13) of Section 4.07(b) to the extent the Company and its Restricted Subsidiaries incur Indebtedness in reliance thereon and (ii) any Net Cash Proceeds that are so received or contributed shall be

excluded for purposes of incurring Indebtedness pursuant to this clause (19) to the extent the Company or any of its Restricted Subsidiaries makes a Restricted Payment under Section 4.07(a) and clauses (2), (4) and (13) of Section 4.07(b) in reliance thereon.

(c) For purposes of determining compliance with this Section 4.09, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (19) of Section 4.09(b), or is entitled to be incurred pursuant to Section 4.09(a), the Company, in its sole discretion, will be permitted to classify such item of Indebtedness on the date of its incurrence and only be required to include the amount and type of such Indebtedness in one of such clauses and will be permitted on the date of such incurrence to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Sections 4.09(a) and 4.09(b), from time to time to reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.09; *provided, however*, that the aggregate principal amount at any time outstanding of Indebtedness incurred pursuant to Section 4.09(b)(1) that may be reclassified pursuant to this paragraph shall not exceed £100 million. The accrual of interest or Preferred Stock dividends, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness, the reclassification of Preferred Stock as Indebtedness due to a change in accounting principles, and the payment of dividends on Preferred Stock or Disqualified Stock in the form of additional shares of the same class of Preferred Stock or Disqualified Stock will not be deemed to be an incurrence of Indebtedness or an issuance of Preferred Stock or Disqualified Stock for purposes of this Section 4.09.

(d) For purposes of determining compliance with any sterling-denominated restriction on the incurrence of Indebtedness, the sterling equivalent principal amount of Indebtedness denominated in a different currency shall be utilized, calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred in the case of term debt, or first committed or first incurred (whichever yields the lower sterling-equivalent), in the case of revolving debt; *provided, however*, that (i) if such Indebtedness denominated in non-sterling currency is subject to a Currency Exchange Protection Agreement with respect to sterling the amount of such Indebtedness expressed in sterling will be calculated so as to take account of the effects of such Currency Exchange Protection Agreement; and (ii) the sterling equivalent of the principal amount of any such Indebtedness outstanding on the Issue Date shall be calculated based on the relevant currency exchange rate in effect on the Issue Date. The principal amount of any refinancing Indebtedness incurred in the same currency as the Indebtedness being refinanced will be the sterling equivalent of the Indebtedness refinanced determined on the date such Indebtedness was originally incurred, except that to the extent that such sterling equivalent was determined based on a Currency Exchange Protection Agreement, in which case the refinancing Indebtedness will be determined in accordance with the preceding sentence.

(e) Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Company or any Restricted Subsidiary may incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

(f) The amount of any Indebtedness outstanding as of any date will be:

(1) in the case of any Indebtedness issued with original issue discount, the amount of the liability in respect thereof determined in accordance with GAAP;

(2) the principal amount of the Indebtedness, in the case of any other Indebtedness;

(3) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:

(A) the Fair Market Value of such assets at the date of determination; and

(B) the amount of the Indebtedness of the other Person; and

(4) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, which will be equal to the greater of the

maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof.

Section 4.10 *Asset Sales.*

(a) The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, consummate an Asset Sale unless:

(1) the Company (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value (determined at the time of contracting such Asset Sale) of the assets or Equity Interests issued or sold or otherwise disposed of; and

(2) at least 75% of the consideration received in the Asset Sale by the Company or such Restricted Subsidiary is in the form of cash or Cash Equivalents. For purposes of this provision, each of the following will be deemed to be cash:

(A) any liabilities, as recorded on the balance sheet of the Company or any Restricted Subsidiary or the notes thereto (or, if incurred since the date of the latest balance sheet, that would be recorded on the next balance sheet) other than Subordinated Indebtedness, that are assumed by the transferee of any such assets and as a result of which the Company and its Restricted Subsidiaries are no longer obligated with respect to such liabilities or are indemnified against further liabilities;

(B) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of the Asset Sale, to the extent of the cash or Cash Equivalents received in that conversion;

(C) any Capital Stock or assets of the kind referred to in clauses (2) or (4) of Section 4.10(b);

(D) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Sale, to the extent that the Company and each Restricted Subsidiary are released from any guarantee of such Indebtedness in connection with such Asset Sale;

(E) consideration consisting of Indebtedness of the Issuer or any Guarantor received from Persons who are not the Company or any Restricted Subsidiary which is cancelled or extinguished;

(F) any Designated Non-Cash Consideration received by the Company or any of its Restricted Subsidiaries in such Asset Sales having an aggregate Fair Market Value, when taken together with all other Designated Non-Cash Consideration received pursuant to this clause (F) that is at that time outstanding, not to exceed the greater of £15.0 million or 2.1% of the Company's Total Assets, measured at the time of the receipt of such Designated Non-Cash Consideration (with the Fair Market Value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value); and

(G) Replacement Assets.

(b) Within 360 days after the receipt of any Net Proceeds from an Asset Sale, the Company (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Proceeds (at the option of the Company or Restricted Subsidiary):

(1) to repay, repurchase, prepay or redeem (a) Indebtedness of the Issuer, the Company or any other Guarantor incurred pursuant to clause (1) of Section 4.09(b) that is secured by a Lien on the Collateral and that is not subordinated in right of payment to the Second Lien Notes or any Second Lien Notes Guarantee, or any Indebtedness secured on the Collateral on a “super priority” basis (b) Indebtedness of a Restricted Subsidiary of the Company that is not a Guarantor or the Issuer (and in each case, other than Indebtedness that is owed to the Company or a Restricted Subsidiary), (c) obligations under the Second Lien Notes and any *pari passu* Indebtedness that is secured by a Lien on the Collateral that ranks equal to the Lien on the Collateral securing the Second Lien Notes and that is not subordinated in right of payment to the Second Lien Notes or any Second Lien Notes Guarantee pursuant to an Asset Sale Offer and (d) Indebtedness that is not subordinated in right of payment to the Second Lien Notes or any Second Lien Notes Guarantee that is secured on assets which do not constitute Collateral; *provided* that, for the purposes of this clause (1)(d), only Net Proceeds from the sale of assets which do not constitute Collateral and which secure the Indebtedness to be repayed, repurchased, prepaid or redeemed may be applied;

(2) to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary;

(3) to make a capital expenditure;

(4) to acquire other assets (other than Capital Stock) not classified as current assets under GAAP that are used or useful in a Permitted Business;

(5) enter into a commitment approved by the Board of Directors or otherwise binding on the Company to apply the Net Proceeds pursuant to clauses (1), (2), (3), (4), (6) or (7) of this Section 4.10(b); provided that such commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment until the earlier of (x) the date on which such acquisition or expenditure is consummated, and (y) the 180th day following the expiration of the aforementioned 360 day period;

(6) invest in any Replacement Assets; or

(7) any combination of the foregoing.

(c) Pending the final application of any Net Proceeds, the Company (or the applicable Restricted Subsidiary) may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

(d) Any Net Proceeds from Asset Sales that are not applied or invested as provided in Section 4.10(b) will constitute “*Excess Proceeds*.” When the aggregate amount of Excess Proceeds exceeds £10 million, within ten Business Days thereof, or at any earlier time at the Company’s election, the Issuer will make an offer (an “*Asset Sale Offer*”) to all Holders and may, to the extent the Company so elects, make an offer to holders of Junior Pari Passu Indebtedness to purchase, prepay or redeem with the proceeds of sales of assets to purchase, prepay or redeem the maximum principal amount of Second Lien Notes and such other Junior Pari Passu Indebtedness (plus all accrued interest on the Junior Pari Passu Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price for the Second Lien Notes in any Asset Sale Offer will be equal to (solely in the case of the Second Lien Notes) 100% of the principal amount and (solely in the case of any other *pari passu* Junior Pari Passu Indebtedness) no greater than 100% of the principal amount, plus accrued and unpaid interest and Additional Amounts, if any, to the date of purchase, prepayment or redemption, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company and its Restricted Subsidiaries may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Second Lien Notes and other *pari passu* Indebtedness tendered into (or to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, or if the aggregate principal amount of Second Lien Notes tendered pursuant to an Asset Sale Offer that is an application of Net Proceeds pursuant to clause (1) of Section 4.10(b) exceeds the amount of the Net Proceeds so applied the Trustee or

the Registrar, as applicable will select the Second Lien Notes and such other Junior Pari Passu Indebtedness, if applicable, to be purchased on a *pro rata* basis (or in the manner described under Section 3.02), based on the amounts tendered or required to be prepaid or redeemed. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero. Neither the Trustee nor the Registrar shall be liable for any selections made by it in accordance with this paragraph.

(e) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other applicable securities laws and regulations to the extent those laws and regulations are applicable in connection with each repurchase of Second Lien Notes pursuant to this Indenture. To the extent that the provisions of any securities laws or regulations conflict with Sections 3.09, 4.10 or 4.15, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under Sections 3.09, 4.10 or 4.15 by virtue of such compliance.

Section 4.11 *Transactions with Affiliates.*

(a) The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, make any payment to or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each, an “*Affiliate Transaction*”) involving aggregate payments or consideration in excess of £2 million, unless:

(2) the Company delivers to the Trustee:

(A) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of £5 million, a resolution of the Board of Directors of the Company set forth in an Officer’s Certificate certifying that such Affiliate Transaction complies with this Section 4.11 and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of the Company; and, in addition,

(B) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of £15 million, a written opinion of an accounting, appraisal or investment banking firm of international standing, or other recognized independent expert of international standing with experience appraising the terms and conditions of the type of transaction or series of related transactions for which an opinion is required, stating that the transaction or series of related transactions is (i) fair from a financial point of view to the Company and its Restricted Subsidiary or (ii) on terms not materially less favorable than might have been obtained in a comparable transaction at such time on an arm’s length basis from a Person who is not an Affiliate.

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of the prior paragraph:

(1) any employment agreement, collective bargaining agreement, consultant, employee benefit or indemnification arrangements with any employee, consultant, officer or director of the Company or any Restricted Subsidiary, including under any stock option, stock appreciation rights, stock incentive or similar plans (and any issuance or awards or grants in cash, securities or otherwise in connection therewith), entered into in the ordinary course of business;

(2) transactions between or among the Company and/or its Restricted Subsidiaries;

(7) Management Advances and waivers with respect thereto and the payment of Management Fees;

(8) any Permitted Investments (other than Permitted Investments described in clauses (3) of the definition thereof);

(9) the incurrence of any Subordinated Shareholder Debt and any amendment waiver or other transaction with respect thereto in compliance with the other provisions of this Indenture, the Intercreditor Agreement or Additional Intercreditor Agreement;

(10) transactions pursuant to, or contemplated by any agreement in effect on the Issue Date and transactions pursuant to any amendment, modification or extension to such agreement, so long as such amendment, modification or extension, taken as a whole, is not more disadvantageous in any material respect to the holders of the Second Lien Notes than the original agreements as in effect on the Issue Date (as determined in good faith by the Board of Directors or a member of senior management of the Company) and transactions or agreements described in the Offering Memorandum under "*Certain relationships and related party transactions*";

(11) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services or providers of employees or other labor, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture that are fair to the Company or the Restricted Subsidiaries, in the reasonable determination of the members of the Board of Directors of the Company or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated Person;

(12) the execution, delivery and performance of any Tax Sharing Agreement or any arrangement pursuant to which the Company or any of its Restricted Subsidiaries is required or permitted to file a consolidated tax return, or the formation and maintenance of any consolidated group for tax, accounting or cash pooling or management purposes in the ordinary course of business;

(13) any transaction effected as part of a Qualified Receivables Financing;

(16) pledges of Equity Interests of Unrestricted Subsidiaries; and

(17) investments by Affiliates of the Company in Indebtedness or Disqualified Stock of the Company or any of its Subsidiaries, so long as non-Affiliates were also offered the opportunity to invest in such Indebtedness or Disqualified Stock, and transactions with Affiliates of the Company solely in their capacity as holders of Indebtedness or Disqualified Stock of the Company or any of its Subsidiaries, so long as such transaction is with all holders of such class (and there are such non-Affiliate holders) and such Affiliates are treated no more favorably than all other holders of such class generally.

Section 4.12 *Liens.*

(a) The Company will not and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind securing Indebtedness upon any of their property or assets, now owned or hereafter acquired (such Lien, the "Initial Lien"), except (1) in the case of any property or asset that does not constitute Collateral, (a) Permitted Liens or (b) Liens on property or assets that are not Permitted Liens if the Second Lien Notes and this Indenture are directly secured equally and rateably with, or prior to, in the case of Liens with respect to Subordinated Indebtedness, the Indebtedness secured by such Initial Lien for so long as such Indebtedness is so secured, and (2) in the case of any property or asset that constitutes Collateral, Permitted Collateral Liens.

(b) Any such Lien created in favor of the Second Lien Notes will be automatically and unconditionally released and discharged upon (i) the release and discharge of the Initial Lien to which it relates, and (ii) otherwise as set forth under Section 12.04.

- (ii) Except in accordance with Section 5.01, the Issuer:
- (1) will not merge, consolidate, amalgamate or otherwise combine with or into another Person (whether or not the Issuer is the surviving corporation);

 - (3) will remain a wholly-owned Restricted Subsidiary of the Company; and
 - (4) will not change its center of main interests (as that term is used in Article 3(1) of The Council of the European Union Regulation No. 1346/2000 on Insolvency Proceedings) to be in any jurisdiction outside of the United Kingdom.
- (b) Limitations on Activities of the Company
- (i) The Company may not carry on any business or own any material assets other than:
- (1) the offering, sale, issuance and servicing, listing, purchase, redemption, exchange, refinancing or retirement of the Second Lien Notes (including any additional Second Lien Notes) or the Second Lien Notes, the incurrence of other Indebtedness (and guarantees thereof) permitted by the terms of this Indenture or performance of the terms and conditions of such Indebtedness, to the extent such activities are otherwise permissible under this Indenture and the granting of Liens permitted pursuant to Section 4.12.

Section 4.14 *Designation of Restricted and Unrestricted Subsidiaries.*

The Board of Directors of the Company may designate any Restricted Subsidiary other than the Issuer to be an Unrestricted Subsidiary if that designation would not cause a Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.07 or under one or more clauses of the definition of Permitted Investments, as determined by the Company. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Company may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause a Default.

Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a copy of a resolution of the Company’s Board of Directors giving effect to such designation and an Officer’s Certificate certifying that such designation complies with the preceding conditions and was permitted by Section 4.07. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary as of such date and, if such Indebtedness is not permitted to be incurred as of such date under Section 4.09, the Company will be in default of such covenant. The Board of Directors of the Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under Section 4.09, calculated on a *pro forma* basis as if such designation had occurred at the beginning of the applicable reference period; and (2) no Default or Event of Default would be in existence following such designation.

Section 4.15 *Offer to Repurchase Upon Change of Control.*

(a) If a Change of Control occurs, subject to the terms hereof, each holder of Second Lien Notes will have the right to require the Issuer to repurchase all or any part (equal to £100,000 or in integral multiples of £1,000 in excess thereof) of that holder’s Second Lien Notes at a purchase price in cash equal to 101% of the aggregate principal amount of Second Lien Notes repurchased, plus accrued and unpaid interest and Additional Amounts, if any, on the Second Lien Notes repurchased to the date of purchase (subject to the rights of holders of Second Lien Notes on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that the Issuer shall not be obliged to repurchase Second Lien Notes pursuant to this Section 4.15

(b) Unless the Issuer has unconditionally exercised its right to redeem all the Second Lien Second Lien Notes pursuant to Section 3.07 or all conditions to such redemption have been satisfied or waived, no later than the date that is 30 days after any Change of Control, the Issuer will transmit a notice (the “*Change of Control Offer*”) to each holder of Second Lien Notes in accordance with the procedures set forth in Section 3.03, with a copy to the Trustee:

(1) stating that a Change of Control has occurred or may occur and that such holder of Second Lien Notes has the right to require the Issuer to purchase such holder’s Second Lien Notes at a purchase price in cash equal to 101% of the aggregate principal amount of Second Lien Notes repurchased, plus accrued and unpaid interest and Additional Amounts, if any, on the Second Lien Notes repurchased to the date of purchase (subject to the rights of holders of Second Lien Notes on the relevant record date to receive interest due on the relevant interest payment date) (the “*Change of Control Payment*”);

(2) stating the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed or delivered pursuant to the procedures set forth in Section 3.03) (the “*Change of Control Payment Date*”);

(3) describing the circumstances and relevant facts regarding the transaction or transactions that constitute the Change of Control;

(4) stating that any Second Lien Note accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date unless the Change of Control Payment is not paid, and that any Second Lien Note or part thereof not tendered will continue to accrue interest;

(5) describing the procedures determined by the Issuer, consistent with this Indenture, that a holder of Second Lien Notes must follow in order to have its Notes repurchased; and

(6) if such notice is mailed prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control.

(c) On the Change of Control Payment Date, if the Change of Control shall have occurred, the Issuer will, to the extent lawful:

(1) accept for payment all Second Lien Notes or portions thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Second Lien Notes or portions thereof properly tendered;

(3) deliver or cause to be delivered to the Trustee the Second Lien Notes properly accepted together with an Officer’s Certificate stating the aggregate principal amount of Second Lien Notes or portions thereof being purchased by the Issuer in the Change of Control Offer;

(4) in the case of Global Notes, deliver, or cause to be delivered, to the Trustee the Global Notes in order to reflect thereon the portion of such Second Lien Notes or portions thereof that have been tendered to and purchased by the Issuer; and

(5) in the case of Definitive Registered Notes, deliver, or cause to be delivered, to the relevant Registrar for cancellation all Definitive Registered Notes accepted for purchase by the Issuer.

(d) If any Definitive Registered Notes have been issued, the Paying Agent will promptly mail (or cause to be delivered) to each holder of Definitive Registered Notes properly tendered the Change of Control Payment for such Second Lien Notes, and the Trustee or an authentication agent appointed by the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each holder of Definitive Registered

Notes a new Second Lien Note equal in principal amount to the unpurchased portion of the Second Lien Notes surrendered, if any; *provided* that each such new Second Lien Note will be in a principal amount that is at least £100,000 or an integral multiple of £1,000 in excess thereof.

(e) The provisions of this Section 4.15 will be applicable whether or not any other provisions of this Indenture are applicable.

(f) The Issuer will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Second Lien Notes properly tendered and not withdrawn under such Change of Control Offer or (2) a notice of redemption has been given pursuant to Section 3.07, unless and until there is a default in payment of the applicable redemption price.

(g) Notwithstanding anything to the contrary in this Indenture, a Change of Control Offer may be made in advance of a Change of Control, conditional upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

(h) The provisions under this Indenture relating to the Issuer's obligation to make an offer to repurchase the Second Lien Notes as a result of a Change of Control may be waived or modified with the consent of the holders of a majority in principal amount of the Second Lien Notes prior to the occurrence of the Change of Control.

(i) The Issuer will comply with the requirements of Rule 14e-1 of the Exchange Act and any other applicable securities laws and regulations to the extent those laws and regulations are applicable in connection with the repurchase of the Second Lien Notes pursuant to this Section 4.15. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.15, the Issuer will comply with any applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.15 by virtue of such compliance.

(j) The Issuer will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date. In addition, if and for so long as the Second Lien Notes are listed on the of the Irish Stock Exchange and admitted for trading on its Global Exchange Market, the Issuer will publish notices relating to the Change of Control Offer in a leading newspaper of general circulation in Ireland (which is expected to be the *Irish Times*) or, to the extent and in the manner permitted by such rules, post such notices on the official website of the Irish Stock Exchange (which, as of the Issue Date, is www.ise.ie).

Section 4.16 *Additional Second Lien Notes Guarantees.*

(a) The Company will not cause or permit any of its Restricted Subsidiaries that are not Guarantors, directly or indirectly, to guarantee the payment of, assume or in any manner become liable with respect to any other Indebtedness of the Issuer or a Guarantor under any Credit Facilities unless such Restricted Subsidiary simultaneously executes and delivers a supplemental indenture substantially in the form of Exhibit D providing for the guarantee of the payment of the Second Lien Notes by such Restricted Subsidiary, which guarantee will be senior to or *pari passu* with such Restricted Subsidiary's guarantee of such other Indebtedness unless such Indebtedness is Senior Indebtedness, in which case the Second Lien Notes Guarantee may be subordinated to the guarantee of such Senior Indebtedness.

(b) Each additional Second Lien Notes Guarantee will be limited as necessary to recognize certain defenses generally available to guarantors (including those that relate to fraudulent conveyance or transfer, voidable preference, financial assistance, corporate purpose, capital maintenance or similar laws, regulations or defenses affecting the rights of creditors generally) or other considerations under applicable law.

(c) Notwithstanding the foregoing paragraphs in this Section 4.16, the Company shall not be obliged to cause such Restricted Subsidiary to Guarantee the Second Lien Notes to the extent that granting such

Second Lien Notes Guarantee by such Restricted Subsidiary would (i) be inconsistent with the Agreed Security Principles, or (ii) reasonably be expected to give rise to or result in a violation of applicable law which, in any case, cannot be prevented or otherwise avoided through measures reasonably available to the Company or the Restricted Subsidiary (including “whitewash” or similar procedures) or any liability for the officers, directors or shareholders of such Restricted Subsidiary.

Section 4.17 *[Reserved]*

Section 4.18 *Suspension of Certain Covenants when Second Lien Notes Rated Investment Grade.*

- (a) If on any date following the Issue Date:
- (1) the Second Lien Notes have achieved Investment Grade Status; and
 - (2) no Default or Event of Default shall have occurred and be continuing on such date,

then, beginning on that day and continuing until such time, if any, at which the Second Lien Notes cease to have Investment Grade Status (such period, the “*Suspension Period*”), Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.14, 12.03 and 5.01(a)(4) will no longer be applicable to the Second Lien Notes and, in each case, any related provision of Article 6 of this Indenture will cease to be effective and will not be applicable to the Company and its Restricted Subsidiaries.

(b) Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.14, 12.03 and 5.01(a)(4) will not, however, be of any effect with regard to the actions of Company and the Restricted Subsidiaries properly taken during the continuance of the Suspension Period; *provided* that (1) with respect to the Restricted Payments made after any such reinstatement, the amount of Restricted Payments will be calculated as though Section 4.07 had been in effect prior to, but not during, the Suspension Period and (2) all Indebtedness incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be classified to have been incurred or issued pursuant to Section 4.09(b)(2). Upon the occurrence of a Suspension Period, the amount of Excess Proceeds shall be reset at zero.

(c) The Issuer shall notify the Trustee that the two conditions set forth in clauses (1) and (2) of Section 4.18(a) have been satisfied, provided that such notification shall not be a condition for the suspension of the covenants set forth above to be effective. The Trustee shall not be obliged to notify holders of such event.

Section 4.19 *Security.*

The Company will, and will procure that each of its Subsidiaries will, at its own expense, execute and do all such acts and things and provide such assurances as the Security Agent may reasonably require (i) for registering any Security Documents in any required register and for perfecting or protecting the security intended to be afforded by such Security Documents; and (ii) if such Security Documents have become enforceable, for facilitating the realisation of all or any part of the assets which are subject to such Security Documents and for facilitating the exercise of all powers, authorities and discretions vested in the Security Agent or in any receiver of all or any part of those assets. The Company will, and will procure that each of its Subsidiaries will, execute all transfers, conveyances, assignments and releases of that property whether to the Security Agent or to its nominees and give all notices, orders and directions which the Security Agent may request.

Section 4.20 *Limitation on Layering*

The Issuer will not, and the Company will not and will not permit any other Guarantor to, incur, create, issue, assume, guarantee or otherwise become liable for any Indebtedness that is contractually subordinated in right of payment to any Indebtedness of the Issuer, the Company or such Guarantor, as applicable, unless such Indebtedness is equal in right of payment with the Second Lien Notes or the Second Lien Notes Guarantee of such other Guarantor, as applicable, or is also by its terms made subordinated in right of payment to the Second Lien Notes or the Second Lien Notes Guarantee of such other Guarantor. No such Indebtedness will be deemed to be

contractually subordinated or junior in right of payment to any Senior Indebtedness of the Issuer or any Guarantor solely by virtue of being unsecured or by virtue of being secured on a junior priority basis.

Section 4.21 *Further Instruments and Acts*

Upon request of the Trustee, the Issuer and the Guarantors shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture and the Intercreditor Agreement.

(2) default in the payment when due and payable (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Second Lien Notes;

(3) failure by the Issuer or relevant Guarantor for 60 days after written notice (i) to the Issuer by the Trustee or (ii) to the Issuer and the Trustee by the holders of at least 25% in aggregate principal amount of the Second Lien Notes then outstanding voting as a single class to comply with any of the agreements in this Indenture (other than a default in performance, or breach, or a covenant or agreement which is specifically dealt with in clauses (1) or (2) of this Section 6.01(a));

(4) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries, other than Indebtedness owed to the Issuer or a Restricted Subsidiary whether such Indebtedness or guarantee now exists, or is created after the Issue Date, if that default:

(A) is caused by a failure to pay principal on such Indebtedness at final maturity prior to the expiration of the grace period provided in such Indebtedness on the date of such default, and such failure to make any payment has not been waived or the maturity of such Indebtedness has not been extended (a "*Payment Default*"); or

(B) results in the acceleration of such Indebtedness prior to its express maturity,

and, in each case, either (i) the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates £15 million or more or (ii) such Indebtedness is incurred pursuant to clause (1) or (8) of the definition of "Permitted Debt" and is secured by Collateral that is granted the benefit of super senior priority rights on the proceeds of enforcement of the Collateral under the Intercreditor Agreement, and (A) the 30-day consultation period under the Intercreditor Agreement with respect to the enforcement of such Indebtedness has expired, (B) an Event of Default has occurred as a result of certain insolvency events, or (C) the consultation period under the Intercreditor Agreement does not apply because the Majority Super Senior Creditors or the Second Lien Notes/Pari Passu Required Holders (as such terms are defined in the Intercreditor Agreement) have determined in good faith that to enter into consultation could reasonably be expected to have a material adverse effect on the Security Agent's ability to enforce any of the Collateral or the realization of proceeds thereof and have instructed the Security Agent as to the enforcement of the Collateral;

(5) failure by the Company or any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of £15 million (exclusive of any amounts that a solvent insurance company has acknowledged liability for), which judgments shall not have been discharged or waived and there shall have been a period of 60 consecutive days during which a stay of enforcement of such judgment or order, by reason of an appeal, waiver or otherwise, shall not have been in effect;

(6) except as permitted by this Indenture (including with respect to any limitations), any Second Lien Notes Guarantee of a Guarantor that is a Significant Subsidiary or any group of Guarantors that, taken together, would constitute a Significant Subsidiary is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect, or any Guarantor that is a Significant Subsidiary or any group of Guarantors that, taken together, would constitute a Significant Subsidiary, or any Person acting on behalf of any such Guarantor or Guarantors, denies or disaffirms its obligations under its Second Lien Notes Guarantee;

(7) the security interests purported to be created under any Security Document (other than in accordance with the terms of the relevant Security Document, the Intercreditor Agreement, any Additional Intercreditor Agreement and this Indenture) with respect to Collateral having a Fair Market Value in excess of £5 million will, at any time, cease to be in full force and effect and constitute a valid and perfected Lien with the priority required by the applicable Security Document and/or the Intercreditor Agreement or Additional Intercreditor Agreement for any reason other than the satisfaction in full of all obligations under this Indenture and discharge of this Indenture or in accordance with the terms of the Intercreditor Agreement, any Additional Intercreditor Agreement or the Security Documents or any security interest

purported to be created under any Security Document is declared invalid or unenforceable or the Company or any Guarantor granting Collateral the subject of any such security interest asserts in writing that any such security interest is invalid or unenforceable and such failure to be in full force and effect or such assertion has continued uncured for a period of 15 days; and

(8) any of the following occurs:

(A) a decree or order for relief in respect of the Company or a Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law is sanctioned by a court of competent jurisdiction or becomes unconditional;

(B) a decree or order adjudging the Issuer or a Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, is bankrupt or insolvent, or other than on a solvent basis seeking reorganization, arrangement, adjustment, proposal or composition of or in respect of the Issuer or a Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary under any Bankruptcy Law, or other than on a solvent basis appointing a custodian, receiver, (provisional, interim or permanent) or manager, liquidator, assignee, trustee, sequestrator (or other similar official) thereof for any substantial part of their respective properties or other than on a solvent basis ordering the winding up, dissolution or liquidation of their affairs, is sanctioned by a court of competent jurisdiction and becomes unconditional and any such decree, order or appointment pursuant to any Bankruptcy Law for relief shall continue to be in effect, or any such other decree, appointment or order shall be unstayed and in effect, for a period of 60 consecutive days; or

(C) the Issuer or a Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, (x) consents to the filing of a petition, application, answer, proposal or consent seeking reorganization or relief under any applicable Bankruptcy Law, (y) consents to the entry of a decree or order for relief in respect thereof in an involuntary case or proceeding under any applicable Bankruptcy Law or to the commencement of any bankruptcy or insolvency with respect to the Issuer or any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary shall have occurred; or case or proceeding against it, or (z) (i) other than on a solvent basis consents to the appointment of, or taking possession by, a custodian, receiver, (provisional, interim or permanent) or manager, liquidator, administrator, examiner, supervisor, assignee, trustee, sequestrator or similar official thereof, or of any substantial part of their respective properties, (ii) other than on a solvent basis makes an assignment or proposal for the benefit of creditors or (iii) admits it is insolvent or admits in writing its inability to pay its debts generally as they become due or commits an "act of bankruptcy" under any applicable Bankruptcy Law which, in the case of each of clauses (x), (y) or (z) of this Section 6.01(a)(8)(C), is sanctioned by a court and becomes unconditional.

Section 6.02 *Acceleration.*

In the case of an Event of Default arising from certain events described in Section 6.01(a)(8), with respect to the Company or any Guarantor that is a Significant Subsidiary or any group of Guarantors that, taken together, would constitute a Significant Subsidiary, all outstanding Second Lien Notes will become due and payable immediately without further action or notice or other act on the part of the Trustee or any Holders. If any other Event of Default occurs and is continuing, the Trustee, or the Holders of at least 25% in aggregate principal amount of the then outstanding Second Lien Notes by written notice to the Issuer (and to the Trustee if such notice is given by the Holders), may and the Trustee, upon the written request of such holders, shall declare all amounts including the principal of, premium, if any, and accrued and unpaid interest, including Additional Amounts, if any, on the Second Lien Notes to be due and payable immediately. In the event of a declaration of acceleration of the Second Lien Notes because an Event of Default described in clause 6.01(a)(4) has occurred and is continuing, the declaration of acceleration of the Second Lien Notes shall be automatically annulled if the event of default or

payment default triggering such Event of Default pursuant to 6.01(a)(4) shall be remedied or cured, or waived by the holders of the Indebtedness, or the Indebtedness that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if (1) the annulment of the acceleration of the Second Lien Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (2) all existing Events of Default, except non-payment of principal, premium or interest on the Second Lien Notes that became due solely because of the acceleration of the Second Lien Notes, have been cured or waived.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal, premium, if any, and interest on the Second Lien Notes or to enforce the performance of any provision of the Second Lien Notes or this Indenture or any Security Document. Following such Event of Default, the Trustee is entitled to require all Agents to act under its direction.

The Trustee may maintain a proceeding even if it does not possess any of the Second Lien Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Second Lien Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence to the Event of Default. No remedy is exclusive of any other remedy. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

Subject to Section 6.07 and Section 9.02 hereof, the Trustee, upon receipt of written notice from the Holders of not less than a majority in aggregate principal amount of the Second Lien Notes then outstanding, may on behalf of the Holders of all of the Second Lien Notes rescind an acceleration or waive any existing Default or Event of Default and its consequences hereunder except a continuing Default or Event of Default in the payment of principal or premium, if any, Additional Amounts, or interest on any Second Lien Notes, including in connection with an offer to purchase (which may only be waived with the consent of each Holder of Second Lien Notes affected). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon. The Holders of a majority in principal amount of the outstanding Second Lien Notes under this Indenture may waive all past or existing Defaults or Events of Default (except with respect to nonpayment of principal, premium or interest, or Additional Amounts, if any) and rescind any such acceleration with respect to such Second Lien Notes and its consequences if rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Section 6.05 *Control by Majority.*

The Holders of a majority in aggregate principal amount of the outstanding Second Lien Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee, or of exercising any trust or power conferred on the Trustee, in respect of the Second Lien Notes. However, the Trustee may refuse to follow any direction that the Trustee determines (after consultation with counsel) conflicts with law, this Indenture or the Intercreditor Agreement or that the Trustee determines is unduly prejudicial to the rights of any other holder or that may involve the Trustee in personal liability or expense; *provided* that the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with any such direction. Prior to taking any action under this Indenture, the Trustee will be entitled to indemnification and/or security satisfactory to it against all losses and expenses caused by taking or not taking such action.

Section 6.06 *Limitation on Suits.*

Subject to Article 7, if an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the holders unless such holders have offered to the Trustee indemnity and/or security satisfactory to the Trustee against any loss, liability or expense. Except (subject to the provisions described under Article 9) to enforce the right to receive

payment of principal or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Second Lien Notes unless:

- (1) such holder has previously given the Trustee notice that an Event of Default is continuing;
- (2) holders of at least 25% in aggregate principal amount of the then outstanding Second Lien Notes have requested, in writing, that the Trustee pursue the remedy;
- (3) such holders have offered the Trustee security and/or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security and/or indemnity; and
- (5) holders of a majority in aggregate principal amount of the then outstanding Second Lien Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

Section 6.07 *Rights of Holders to Receive Payment.*

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal, premium, if any, and interest on the Second Lien Note held by such Holder, on or after the respective due dates expressed in the Second Lien Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(a)(1) or (2) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Second Lien Notes for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name as trustee of an express trust, may institute a judicial proceeding in its own name for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer or any other obligor upon the Second Lien Notes and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer or any other obligor upon the Second Lien Notes, wherever situated.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuer, any other obligor upon the Second Lien Notes, their creditors or their property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims, and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 hereof

out of the estate in any such proceeding shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Second Lien Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

If the Trustee collects any money pursuant to this Article 6 or from the enforcement of any Security Document, it shall pay out (or in the case of the Security Agent, it shall pay to the Trustee to pay out) the money, subject to the terms of the Intercreditor Agreement, in the following order:

First: to the Trustee, the Security Agent, and their agents and attorneys (including the Agents) for amounts due under Section 7.06 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the Security Agent and the costs and expenses of collection;

Second: to Holders for amounts due and unpaid on the Second Lien Notes for principal, premium, if any, interest and Additional Amounts, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Second Lien Notes for principal, premium, if any, interest and Additional Amounts, if any, respectively; and

Third: to the Issuer or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Issuer shall mail to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in principal amount of the then outstanding Second Lien Notes, or to any suit initiated by any Holder for the enforcement of the payment of any principal of or interest on any Second Lien Note, on or after its maturity date.

Section 6.12 *Stay, Extension and Usury Laws.*

The Issuer, the Company and its Restricted Subsidiaries shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer, the Company and its Restricted Subsidiaries (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant that they will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 6.13 *Enforcement by Holders.*

Holders may not enforce this Indenture or the Second Lien Notes except as provided in this Indenture and subject to the Intercreditor Agreement and may not enforce the Security Documents except as provided in such Security Documents and subject to the Intercreditor Agreement.

ARTICLE 7
THE TRUSTEE, THE SECURITY AGENT AND AGENTS

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing of which a Responsible Officer of the Trustee has actual knowledge, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default of which a Responsible Officer of the Trustee has actual knowledge:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely upon, as to the truth of the statements and the correctness of the opinions expressed therein, certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, with respect to the certificates or opinions specifically required to be furnished to it hereunder, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) 7.01(c) does not limit the effect of Section 7.01(b);

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02, 6.04 or 6.05 hereof; *provided, however;* that the Trustee's conduct does not constitute willful misconduct or negligence; and

(4) no provision of this Indenture will require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it, it being understood that the Trustee shall not be required to advance its own funds in connection with its duties and responsibilities as Trustee.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) The Trustee will be under no obligation to exercise any of its rights and powers under this Indenture or the Intercreditor Agreement at the request of any Holders, unless such Holders have offered to the Trustee indemnification and/or security satisfactory to it against any loss, liability or expense.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 *Rights of Trustee.*

The Trustee and each Agent may rely upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper person.

The Trustee shall not be deemed to have notice or any knowledge of any matter (including without limitation Defaults or Events of Default) unless a trust officer assigned to and working in the Trustee's corporate trust office has actual knowledge thereof or unless written notice thereof is received by the Trustee (attention: Managing Director, Trust & Securities Services) and such notice clearly references the Second Lien Notes, the Issuer or this Indenture.

(a) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any attorney, delegate, depository, or agent appointed with due care.

(b) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(c) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer will be sufficient if signed by an Officer of the Issuer.

(d) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, direction, order, approval, bond, debenture, note, other evidence of indebtedness or other paper or document but the Trustee, in its sole and absolute discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at reasonable times during normal business hours at the sole expense of the Issuer and the Trustee shall incur no liability of any kind by reason of such inquiry or investigation.

(e) The Trustee will have no duty to inquire as to the Issuer's performance of the covenants in Article 4 hereof. In addition, the Trustee will not be deemed to have knowledge of any Default or Event of Default except any Default or Event of Default (i) occurring pursuant to Section 6.01(a)(1) or Section 6.01(a)(2) (provided it is acting as Paying Agent), and (ii) of which a Responsible Officer of the Trustee has received written notification identifying the Second Lien Notes or Indenture or obtained actual knowledge. The Trustee will be under no obligation to monitor financial performance of the Company.

(f) The Trustee shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance, with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect of any transfer, exchange, redemption, purchase or repurchase, as applicable, of interest in any Second Lien Note.

(g) The Trustee is not required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture.

(h) In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than a majority in aggregate principal amount of the Second Lien Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee, in its sole discretion, may determine what action, if any, will be taken and shall not incur any liability for its failure to act until such inconsistency or conflict is resolved.

(i) The permissive right of the Trustee to take the actions enumerated in this Indenture or the Intercreditor Agreement will not be construed as an obligation or duty to do so.

(j) Delivery of reports, information and documents to the Trustee under Section 4.03 is for informational purposes only and the Trustee's receipt of the foregoing will not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates or Opinions of Counsel, as applicable).

(k) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified and/or secured, are extended to, and will be enforceable by, the Trustee in each of its capacities hereunder, under the Intercreditor Agreement and the Security Documents and by each Agent and the Security Agent, custodian and other Person employed to act hereunder. Absent willful misconduct or gross negligence, each Agent and the Security Agent shall not be liable for acting in good faith on instructions believed by it to be genuine and from the proper party.

(l) The Trustee may request that the Issuer deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(m) Under no circumstances will the Trustee be liable to the Issuer for any indirect, punitive or consequential loss (being loss of business, goodwill, opportunities or profit) even if advised of the possibility of such loss or damage and regardless of whether the claim for loss or damage is made in negligence, for breach of contract or otherwise.

(n) The Trustee will be entitled to assume, without inquiry, that the Issuer has performed in accordance with all of the provisions of this Indenture or Intercreditor Agreement, unless notified to the contrary.

(o) The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction or, to the extent applicable, of New York.

(p) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee may retain professional advisors to assist it in performing its duties. The Trustee may consult with counsel or other professional advisors and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(q) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by acts of war or terrorism involving the United States, the United Kingdom or any member state of the European Monetary Union or any other national or international calamity or emergency (including natural disasters or acts of God), it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(r) The Trustee will not be liable to any Person if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future law applicable to it, by any governmental or regulatory authority or by any circumstances beyond its control.

(s) At any time that the security granted pursuant to the Security Documents has become enforceable and the Holders have given a direction to the Trustee to enforce such Collateral, the Trustee is not required to give any direction to the Security Agent with respect thereto unless it has been indemnified and/or secured in accordance with Section 7.01(a). In any event, in connection with any enforcement of such security, the Trustee is not responsible for:

(1) any failure of the Security Agent to enforce such security within a reasonable time or at all;

- (2) any failure of the Security Agent to pay over the proceeds of enforcement of the Collateral;
- (3) any failure of the Security Agent to realize such security for the best price obtainable;
- (4) monitoring the activities of the Security Agent in relation to such enforcement;
- (5) taking any enforcement action itself in relation to such Collateral;
- (6) agreeing to any proposed course of action by the Security Agent which could result in the Trustee incurring any liability for its own account; or
- (7) paying any fees, costs or expenses of the Security Agent.
- (t) No provision of this Indenture shall require the Trustee to do anything which, in its opinion, may be illegal or contrary to applicable law or regulation.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Second Lien Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interests it must eliminate such conflict within 90 days, or resign. Any Paying Agent or Registrar may do the same with like rights and duties. The Trustee is also subject to Section 7.09 hereof.

Section 7.04 *Trustee's Disclaimer.*

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Second Lien Notes or any Second Lien Notes Guarantee and it shall not be accountable for the Issuer's use of the proceeds from the Second Lien Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Second Lien Notes or any other document in connection with the sale of the Second Lien Notes or pursuant to this Indenture other than its certificate of authentication. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Second Lien Notes, except that the Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Second Lien Notes and perform its obligations hereunder.

Section 7.05 *Notice of Defaults.*

If a Default (or an Event of Default) occurs and is continuing and the Trustee is notified of such occurrence by the Issuer, the Trustee will give notice to each Holder of the Default or Event of Default within 60 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium on, if any, interest or Additional Amounts, if any, on any Second Lien Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders.

Section 7.06 *Compensation and Indemnity.*

(a) The Issuer, or upon failure of the Issuer to pay, each Guarantor, jointly and severally, will pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder and thereunder as the Issuer and the Trustee shall from time to time agree in writing. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Issuer will reimburse the Trustee promptly upon request for all disbursements, advances and expenses properly incurred or made by it, including costs of collection, any additional fees the Trustee may incur acting after a Default or an Event

of Default and any fees the Trustee may incur in connection with exceptional duties in relation thereto, in addition to the compensation for its services. Such expenses will include the properly incurred compensation, disbursements, expenses and advances of the Trustee's agents and counsel.

(b) The Issuer and each Guarantor, jointly and severally, will indemnify the Trustee, the Paying Agent, the Registrar and the Security Agent and hold them harmless, against any and all Losses incurred by the relevant indemnified entity arising out of or in connection with the acceptance or administration of this trust and its duties under this Indenture or under the Intercreditor Agreement, including the costs and expenses of the relevant indemnified entity enforcing this Indenture against the Issuer (including this Section 7.06) and defending itself against any claim (whether asserted by the Issuer, or any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder. The relevant indemnified entity will notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the relevant indemnified entity to so notify the Issuer will not relieve the Issuer of its obligations hereunder. Except where the interests of the Issuer and the Guarantors, on the one hand, and the relevant indemnified entity on the other hand, may be adverse, the Issuer or such Guarantor will defend the claim and the relevant indemnified entity will provide reasonable cooperation. The relevant indemnified entity may at its option have separate counsel and the Issuer will pay the properly incurred fees and expenses of such counsel. Neither the Issuer nor any Guarantor need pay for any settlement made without its written consent, which consent shall not be unreasonably withheld.

(c) The obligations of the Issuer under this Section 7.06 and any Lien arising hereunder will survive the resignation or removal of the Trustee, the discharge of the Issuer's obligations pursuant to Article 10 or the termination of this Indenture and shall continue for the benefit of the Trustee or an Agent notwithstanding its resignation or retirement. For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given, to the Trustee in this Section 7.06, including its right to be indemnified, are extended to, and shall be enforceable by the Trustee in each of its capacities hereunder, by each Agent, and any other Person employed by the Trustee to act hereunder.

(d) To secure the Issuer's payment obligations in this Section 7.06, the Trustee will have a Lien prior to the Second Lien Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Second Lien Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(a)(7) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.07 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuer. The Holders of a majority in principal amount of the then outstanding Second Lien Notes may remove the Trustee by so notifying the Trustee and the Issuer in writing. The Issuer may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.09 hereof;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a custodian or public officer takes charge of the Trustee or its property;
- (4) the Trustee becomes incapable of acting; or

(5) the Trustee has or acquires a conflict of interest not eliminated in accordance with Section 7.03.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Second Lien Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

(d) A successor Trustee or a successor Agent, as the case may be, shall deliver a written acceptance of its appointment to the retiring Trustee or retiring Agent and to the Issuer. A successor Agent shall deliver a written acceptance of its appointment to the retiring Agent and to the Issuer. Thereupon the resignation or removal of the retiring Trustee or retiring Agent shall become effective, and the successor Trustee or successor Agent shall have all the rights, powers and duties of the Trustee or successor Agent under this Indenture and the Security Documents. The successor Trustee shall mail a notice of any succession to Holders. The retiring Trustee or Agent shall promptly transfer all property held by it as Trustee or Agent to the successor Trustee or Agent, provided that all sums owing to the Trustee or Agent hereunder have been paid and subject to the lien provided for in Section 7.06.

(e) If a successor Trustee or Agent is not appointed and does not take office within 30 days after the retiring Trustee or Agent resigns or is removed, the retiring Trustee or Agent may appoint a successor Trustee or Agent at any time prior to the date on which a successor Trustee or Agent takes office. If a successor Trustee or Agent does not take office within 60 days after the retiring Trustee or Agent resigns or is removed, the retiring Trustee or Agent, the Issuer or the Holders of at least 25% in outstanding principal amount of the Second Lien Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee at the expense of the Issuer.

(f) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer, or the Holders of at least 10% in principal amount of the then outstanding Second Lien Notes may petition at the expense of the Issuer any court of competent jurisdiction for the appointment of a successor Trustee.

(g) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.09, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(h) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee, provided all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.06 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Issuer's obligations under Section 7.06 hereof will continue for the benefit of the retiring Trustee or Agent as the case may be.

Section 7.08 *Successor Trustee by Merger, Etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

In case any Second Lien Notes shall have been authenticated, but not delivered, by the Trustee then in office, any successor by consolidation, merger or conversion to such authenticating Trustee may adopt such authentication and deliver the Second Lien Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Second Lien Notes.

Section 7.09 *Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a corporation which is generally recognized as a corporation which customarily performs such corporate trustee roles and provides such corporate trustee services in transactions similar in nature to the offering of the Second Lien Notes as described in the Offering Memorandum.

Section 7.10 *Certain Rights of the Security Agent.*

Whether or not expressly provided in any other provision herein, the rights, privileges, protections, immunities and benefits given to the Security Agent pursuant to the Intercreditor Agreement shall apply to any action taken by the Security Agent in accordance with the terms of this Indenture or the Intercreditor Agreement.

ARTICLE 8
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuer may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officer's Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Second Lien Notes, the Second Lien Notes Guarantees, this Indenture, the Intercreditor Agreement and the Security Documents, and cause the release of all Liens on the Collateral granted under the Security Documents upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Issuer's election described in Section 8.01 hereof to exercise its rights under this Section 8.02, the Issuer and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Second Lien Notes, the Second Lien Notes Guarantees, this Indenture, the Intercreditor Agreement and the Security Documents, and cause the release of all Liens on the Collateral granted under the Security Documents on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Issuer and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Second Lien Notes (including the Second Lien Notes Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (a) and (b) of this Section 8.02, and to have satisfied all their other obligations under such Second Lien Notes, the Second Lien Notes Guarantees, this Indenture, the Intercreditor Agreement and the Security Documents, and which will release all Liens on the Collateral granted under the Security Documents (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (a) the rights of Holders of outstanding Second Lien Notes to receive payments in respect of the principal of, or interest (including Additional Amounts) or premium, if any, on such Second Lien Notes when such payments are due from the trust referred to in Section 8.04 hereof;
- (b) the Issuer's obligations with respect to the Second Lien Notes concerning issuing temporary Second Lien Notes, registration of Second Lien Notes, mutilated, destroyed, lost or stolen Second Lien Notes and the maintenance of an office or agency for payment and money for security payments held in trust set forth in Article 2 hereof;
- (c) the rights, powers, trusts, duties and immunities of the Trustee, the Agents and the Security Agent hereunder and the Issuer's and the Guarantors' obligations in connection therewith; and
- (d) this Article 8.

Subject to compliance with this Article 8, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance.*

Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuer and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of its obligations under the covenants contained in Sections 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.10 (including the requirement to commence an Asset Sale Offer under Section 3.09), 4.11, 4.12, 4.13, 4.14, 4.15, 4.16, 4.17, 4.18, 4.19, 4.20, Section 5.01 (other than with respect to clauses (1), (2) and (3) of each of Sections 5.01(a) and 5.01(b)) and Section 12.03 hereof with respect to the outstanding Second Lien Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Second Lien Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Second Lien Notes will not be deemed outstanding for accounting purposes). For this purpose, *Covenant Defeasance* means that, with respect to the outstanding Second Lien Notes and the Second Lien Notes Guarantees, the Issuer and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Second Lien Notes and Second Lien Notes Guarantees will be unaffected thereby. In addition, upon the Company's or the Issuer's election described in Section 8.01 hereof of to exercise its rights under this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, payment of the Second Lien Notes may not be accelerated because of an Event of Default specified in Section 6.01(a)(3) (other than with respect to clauses (1), (2) and (3) of each of Sections 5.01(a) and 5.01(b)), Section 6.01(a)(4), Section 6.01(a)(5), Section 6.01(a)(6), Section 6.01(a)(7), Section 6.01(a)(8), Section 6.01(a)(9) or Section 6.01(a)(10) (with respect only to the Issuer and the Company and its Significant Subsidiaries).

Section 8.04 *Conditions to Legal Defeasance or Covenant Defeasance.*

In order to elect to exercise its rights under either Section 8.02 or 8.03 hereof:

(a) the Issuer must irrevocably deposit with the Trustee (or such entity designated by the Trustee for this purpose), in trust, for the benefit of the Holders, cash in sterling, non-callable U.K. Government Securities or a combination of cash in sterling and non-callable U.K. Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, or interest (including Additional Amounts and premium, if any) on the outstanding Second Lien Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Issuer must specify whether the Second Lien Notes are being defeased to such stated date for payment or to a particular redemption date;

(b) in the case of an election to exercise its rights under Section 8.02, the Issuer must deliver to the Trustee an opinion reasonably acceptable to the Trustee of United States counsel confirming that (i) the Issuer has received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (ii) since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the holders of the outstanding Second Lien Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of Section 8.03, the Issuer must deliver to the Trustee an opinion reasonably acceptable to the Trustee of United States counsel confirming that the holders of the outstanding Second Lien Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant

Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) the Issuer must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of preferring the holders of Second Lien Notes over the other creditors of the Issuer or the Guarantors with the intent of defeating, hindering, delaying or defrauding any creditors of the issuer, the Guarantors or others; and

(e) the Issuer must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, subject to customary assumptions and qualifications, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 8.05 *Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.06 hereof, all money and non-callable U.K. Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, or other entity designated by the Trustee for this purpose, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Second Lien Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Second Lien Notes and this Indenture, to the payment, either directly or through any Paying Agent as the Trustee may determine, to the Holders of such Second Lien Notes of all sums due and to become due thereon in respect of principal, premium, if any, interest and Additional Amounts, but such money need not be segregated from other funds except to the extent required by law. Money and securities so held in trust are not subject to the Intercreditor Agreement and the Trustee is not prohibited from paying such funds to Holders by the terms of this Indenture or the Intercreditor Agreement.

The Issuer will pay and indemnify the Trustee against any Taxes imposed or levied on or assessed against the cash or U.K. Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such Taxes which by law are for the account of the Holders of the outstanding Second Lien Notes.

The obligations of the Issuer under this Section 8.05 shall survive the resignation or renewal of the Trustee and/or satisfaction and discharge of this Indenture.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Issuer from time to time upon the request of the Issuer any money or U.K. Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants, expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to Issuer.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium, if any, interest or Additional Amounts, if any on any Second Lien Note and remaining unclaimed for two years after such principal, premium, if any, interest or Additional Amounts, if any, has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) will be discharged from such trust; and the Holder of such Second Lien Note will thereafter be permitted to look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be made available to the newswire service of Bloomberg or, if Bloomberg does not operate, any similar agency and, if and so long as the Second Lien Notes are listed on the Official List of the Irish Stock Exchange and admitted for trading on the Global Exchange Market and the rules of the Irish Stock Exchange so require, publish a notice of any change of Paying Agent, Registrar or Transfer Agent in a newspaper having a general circulation in Ireland (which is expected

to be the *Irish Times*) or, to the extent and in the manner permitted by such rules, post such notice on the official website of the Irish Stock Exchange (which, as of the Issue Date, is *www.ise.ie*) publish a notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

Section 8.07 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any pounds sterling or non-callable U.K. Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's obligations under this Indenture and the Second Lien Notes will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however,* that, if the Issuer makes any payment of principal of, premium, if any, or interest on any Second Lien Note following the reinstatement of its obligations, the Issuer will be subrogated to the rights of the Holders of such Second Lien Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders.*

(a) Notwithstanding Section 9.02 of this Indenture, the Issuer, the Guarantors and the Trustee may amend or supplement this Indenture, the Second Lien Notes, the Second Lien Notes Guarantees, the Intercreditor Agreement, any Additional Intercreditor Agreement or any Security Document without the consent of any Holder to:

- (1) cure any ambiguity, defect or inconsistency;
- (2) provide for uncertificated Second Lien Notes in addition to or in place of certificated Second Lien Notes;
- (3) provide for the assumption of the Issuer's or a Guarantor's obligations to holders of Second Lien Notes and Second Lien Notes Guarantees in the case of a merger or consolidation or sale of all or substantially all of the Issuer's or such Guarantor's assets, as applicable;
- (4) make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under this Indenture of any such Holder in any material respect;
- (5) conform the text of this Indenture, the Second Lien Notes Guarantees, the Second Lien Notes or the Security Documents to any provision of the "Description of the Second Lien Notes" section of the Offering Memorandum to the extent that such provision in the "Description of the Second Lien Notes" section of the Offering Memorandum was intended to be a verbatim recitation of a provision of this Indenture, the Second Lien Notes Guarantees, the Second Lien Notes or the Security Documents;
- (6) release any Second Lien Notes Guarantee in accordance with the terms of this Indenture;
- (7) provide for the issuance of Additional Second Lien Notes in accordance with the limitations set forth in this Indenture as of the Issue Date;
- (8) allow any Guarantor to execute a supplemental indenture and/or a Second Lien Notes Guarantee with respect to the Second Lien Notes;

(9) provide for uncertificated Second Lien Notes in addition to or in place of certificated Second Lien Notes (*provided* that the uncertificated Second Lien Notes are issued in registered form for purposes of Section 163(f) of the Code);

(10) enter into additional or supplemental Security Documents;

(11) add additional parties to the Intercreditor Agreement or any Security Document to the extent permitted hereunder or thereunder; or

(12) evidence and provide the acceptance of the appointment of a successor Trustee or the Security Agent under this Indenture or to evidence and provide the acceptance of the appointment of a Security Agent under the Intercreditor Agreement, any Additional Intercreditor Agreement or any Security Document.

(b) In formulating its opinion on such matters, the Trustee shall be entitled to rely absolutely on such evidence as it deems appropriate, including an Opinion of Counsel and an Officer's Certificate.

(c) Upon the request of the Issuer, and upon receipt by the Trustee of the documents described in Section 7.02(p) and Section 9.06 hereof, the Trustee and the Security Agent will join with the Issuer and the Guarantors, as applicable in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee and the Security Agent will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 *With Consent of Holders.*

Except as provided in this Section 9.02, this Indenture (including without limitation, Section 3.09, Section 4.10 and Section 4.15), the Second Lien Notes, the Second Lien Notes Guarantees, the Intercreditor Agreement, any Additional Intercreditor Agreement and the Security Documents may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Second Lien Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Second Lien Notes), and subject to Section 6.04 and Section 6.07, any existing Default or Event of Default (other than a Default or Event of Default in the payment of principal or premium, Additional Amounts, if any, or interest on any Second Lien Notes (including in connection with an offer to purchase), except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Second Lien Notes, the Second Lien Notes Guarantees, the Intercreditor Agreement, any Additional Intercreditor Agreement or any Security Document may be waived with the consent of the holders of a majority in aggregate principal amount of the then outstanding Second Lien Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Second Lien Notes). Section 2.08 hereof shall determine which Second Lien Notes are considered to be "outstanding" for purposes of this Section 9.02.

Upon the request of the Issuer, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders in accordance with this Section 9.02, and upon receipt by the Trustee of the documents described in Section 7.02(p) and Section 9.06 hereof, the Trustee and the Security Agent will join with the Issuer and the Guarantors, as applicable in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental indenture.

It is not necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof. A consent to any amendment, supplement or or waiver under this Indenture by any Holder of the Second Lien Notes given in connection with a tender of such Holder's Second Lien Notes will not be rendered invalid by such tender.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer will mail to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Section 6.07 hereof, the Holders of a majority in aggregate principal amount of the Second Lien Notes then outstanding may waive compliance in a particular instance by the Issuer with any provision of this Indenture or the Second Lien Notes.

However, unless consented to by the Holders of at least 90% of the aggregate principal amount of then outstanding Second Lien Notes (including, without limitation, Additional Second Lien Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Second Lien Notes), without the consent of each Holder of Second Lien Notes affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Second Lien Notes held by a non-consenting Holder):

- (1) reduce the principal amount of Second Lien Notes whose holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of any Second Lien Note or alter the provisions with respect to the redemption of the Second Lien Notes (except as provided above with respect to Sections 3.09, 4.10 or 4.15);
- (3) reduce the rate of or change the time for payment of interest, including default interest, on any Second Lien Note;
- (4) impair the right of any Holder to receive payment of principal of and interest on such Holder's Second Lien Notes on or after the due dates therefore or to institute suit for the enforcement of any payment on or with respect to such Holder's Second Lien Notes or any guarantee in respect thereof;
- (5) waive a Default or Event of Default in the payment of principal of, or interest, Additional Amounts or premium, if any, on, the Second Lien Notes (except a rescission of acceleration of the Second Lien Notes by the holders of at least a majority in aggregate principal amount of the then outstanding Second Lien Notes and a waiver of the Payment Default that resulted from such acceleration);
- (6) make any Second Lien Note payable in money other than that stated in the Second Lien Notes;
- (7) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Second Lien Notes to receive payments of principal of, or interest, Additional Amounts or premium, if any, on, the Second Lien Notes;
- (8) waive a redemption payment with respect to any Second Lien Note (other than a payment required by Sections 3.09, 4.10 and 4.15);
- (9) release any Guarantor from any of its obligations under its Second Lien Notes Guarantee or this Indenture, except in accordance with the terms of this Indenture and the Intercreditor Agreement;
- (10) release the Lien on Collateral granted for the benefit of the holders of Second Lien Notes, except in accordance with the terms of the relevant Security Document, this Indenture and the Intercreditor Agreement; or
- (11) make any change in the preceding amendment and waiver provisions.

Any amendment, supplement or waiver consented to by the Holders of at least 90% of the aggregate principal amount of the then outstanding Second Lien Notes will be binding against any non-consenting Holders.

Section 9.03 *Amendments to be in Supplemental Indenture.*

Every amendment or supplement to this Indenture or the Second Lien Notes will be set forth in an amended or supplemental indenture.

Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder or portion of a Note that evidences the same debt as the consenting Holder's Second Lien Note, even if notation of the consent is not made on any Second Lien Note. However, any such Holder or subsequent Holder may revoke the consent as to its Second Lien Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Second Lien Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Second Lien Note thereafter authenticated. The Issuer in exchange for all Second Lien Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Second Lien Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Second Lien Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee and Security Agent to Sign Amendments, etc.*

The Trustee and the Security Agent will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee or the Security Agent, as applicable. In executing any amended or supplemental indenture, the Trustee and the Security Agent will be provided with and (subject to Section 7.01 hereof) will be fully protected in relying upon, in addition to the documents required by Section 14.03 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and that such amendment is the legal, valid and binding obligation of the Issuer (and any guarantor) enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions of this Indenture. In signing any amendment, supplement or waiver, the Trustee and the Security Agent shall be entitled to indemnification and/or security satisfactory to them.

ARTICLE 10
SATISFACTION AND DISCHARGE

Section 10.01 *Satisfaction and Discharge.*

(a) This Indenture will be discharged and will cease to be of further effect as to all Second Lien Notes issued thereunder, when:

(1) either:

(A) all Second Lien Notes that have been authenticated and delivered, except lost, stolen or destroyed Second Lien Notes that have been replaced or paid and Second Lien Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuer or discharged from such trust as provided for in this Indenture, have been delivered to the Trustee for cancellation; or

(B) all Second Lien Notes that have not been delivered to the Principal Paying Agent for cancellation have become due and payable by reason of the mailing of a notice of

(2) the Issuer or any Guarantor has paid or caused to be paid all sums payable by the Issuer and the Guarantors under this Indenture; and

(3) the Issuer has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Second Lien Notes at maturity or on the redemption date, as the case may be.

In addition, the Issuer must deliver an Officer's Certificate and an opinion of independent counsel to the Trustee stating that all conditions precedent in this Indenture relating to satisfaction and discharge of this Indenture have been satisfied such satisfaction and discharge will not result in a breach or violation of, or constitute a default under, this Indenture or any other material agreement or instrument governed by New York law to which the Issuer, any Guarantor or any Restricted Subsidiary of the Company is a party or by which the Issuer, any Guarantor or any Restricted Subsidiary of the Company is bound; *provided* that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with clauses (1), (2) and (3) of this Section 10.01(a)).

(b) Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee (or other entity designated by the Trustee for this purpose) pursuant to this Section 10.01(a)(1)(b), the provisions of Section 10.02 and Section 8.06 will survive. In addition, nothing in this Section 10.01 will be deemed to discharge those provisions of Section 7.06 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 10.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06, all money deposited with the Trustee pursuant to Section 10.01 shall be held in trust and applied by it, in accordance with the provisions of the Second Lien Notes and this Indenture, to the payment, either directly or through any Paying Agent as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest and Additional Amounts, if any, for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or U.K. Government Securities in accordance with Section 10.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and any Guarantor's obligations under this Indenture and the Second Lien Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 10.01; *provided* that if the Issuer has made any payment of principal of, premium, if any, or interest and Additional Amounts, if any, on the Second Lien Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Second Lien Notes to receive such payment from the money or U.K. Government Securities held by the Trustee or Paying Agent.

ARTICLE 11
GUARANTEES

Section 11.01 *Guarantees.*

Subject to this Article 11, the Intercreditor Agreement and the Agreed Security Principles as set out in Exhibit E, each of the Guarantors hereby, jointly and severally and unconditionally guarantees to each Holder of a Second Lien Note authenticated and delivered by the Trustee (or Authentication Agent) and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Second Lien Notes or the obligations of the Issuer hereunder or thereunder, that: (i) the principal of, premium, if any, interest and Additional Amounts, if any, on the Second Lien Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium, if any, interest and Additional Amounts, if any, on the Second Lien Notes (to the extent permitted by law), and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (ii) in case of any extension of time of payment or renewal of any Second Lien Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise (all the foregoing being hereinafter collectively called the “*Guaranteed Obligations*”). Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Second Lien Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Without limiting the generality of the foregoing, each Guarantor’s liability under this Second Lien Notes Guarantee shall extend to all obligations under the Second Lien Notes and this Indenture (including, without limitation, interest, fees, costs and expenses) that would be owed but for the fact that they are unenforceable or not allowable due to any proceeding under Bankruptcy Law involving the Issuer or any Guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenant that this Second Lien Notes Guarantee shall not be discharged except by complete payment and performance of the obligations contained in the Second Lien Notes and this Indenture and the obligations of each Guarantor under this Second Lien Notes Guarantee shall not be subject to any reduction, limitation, impairment, set-off, defense, counterclaim, discharge or termination for any reason other than the complete payment and performance of the obligations contained in the Second Lien Notes and this Indenture.

If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid by either to the Trustee or such Holder, this Second Lien Notes Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby or any collateral securing any such obligations until payment and performance in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (i) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Second Lien Notes Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Second Lien Notes Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Second Lien Notes Guarantee.

Section 11.02 *Limitation on Liability.*

Each Guarantor, and by its acceptance of Second Lien Notes, each Holder, hereby confirms that it is the intention of all such parties that the Second Lien Notes Guarantee of such Guarantor not constitute a fraudulent conveyance, fraudulent transfer or transaction under value for purposes of Bankruptcy Law or any similar law of a relevant jurisdiction to the extent applicable to any Second Lien Notes Guarantee or Guarantor. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 11, result in the obligations of such Guarantor under its Second Lien Notes Guarantee not constituting a fraudulent conveyance, fraudulent transfer or transaction under value for purposes of Bankruptcy Law or any similar law of a relevant jurisdiction to the extent applicable to any Second Lien Notes Guarantee.

Section 11.03 *Successors and Assigns.*

This Article 11 shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Second Lien Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

Section 11.04 *No Waiver.*

Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article 11 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 11 at law, in equity, by statute or otherwise.

Section 11.05 *Modification.*

No modification, amendment or waiver of any provision of this Article 11, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

Section 11.06 *Execution of Supplemental Indenture for Future Guarantors.*

(a) Each Restricted Subsidiary which will become or is required to become a Guarantor pursuant to Section 4.16 shall promptly execute and deliver to the Trustee a supplemental indenture in the form of Exhibit D to this Indenture, pursuant to which such Subsidiary shall become a Guarantor under this Article 11 and shall guarantee the Guaranteed Obligations. Concurrently with the execution and delivery of such supplemental indenture, the Issuer shall deliver to the Trustee an Opinion of Counsel and an Officer's Certificate to the effect that such supplemental indenture has been duly authorized, executed and delivered by such Restricted Subsidiary and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Second Lien Notes Guarantee of such Guarantor is a legal, valid and binding obligation of such Guarantor, enforceable against such Guarantor in accordance with its terms and or to such other matters as the Trustee may reasonably request.

Section 11.07 *No Notation Required.*

The failure to endorse a Second Lien Notes Guarantee on any Second Lien Note shall not affect or impair the validity thereof.

Section 11.08 *Release of Second Lien Notes Guarantees.*

The Second Lien Notes Guarantee of a Guarantor other than the Company will be released:

(a) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor (including by way of merger, consolidation, amalgamation or combination) to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary, if the sale or other disposition does not violate Sections 3.09 and 4.10 hereof;

(b) in connection with any sale or other disposition of Capital Stock of that Guarantor (or Capital Stock of any Parent Holdco of such Guarantor (other than the Company)) to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary, if the sale or other disposition does not violate Sections 3.09 and 4.10 hereof and the Guarantor ceases to be a Restricted Subsidiary as a result of the sale or other disposition;

(c) if the Company designates any Restricted Subsidiary that is a Guarantor to be an Unrestricted Subsidiary in accordance with Section 4.14 hereof;

(d) in connection with certain enforcement actions taken by the creditors under certain of our secured Indebtedness in accordance with the Intercreditor Agreement;

(e) upon legal defeasance or covenant defeasance under Article 8 hereof or satisfaction and discharge of this Indenture under Article 10 hereof;

(f) upon the full and final payment of the Second Lien Notes and performance of all Obligations of the Issuer and the Guarantors under this Indenture and the Second Lien Notes; or

(g) as described under Article 9, Section 4.16 or Section 5.01 hereof.

The Second Lien Notes Guarantee of the Company will be released in the circumstances described in clauses (d), (e), (f) or (g) of this Section 11.08. Upon any occurrence giving rise to a release of a Second Lien Notes Guarantee, as specified above, the Trustee, upon receipt of an Officer's Certificate from the Issuer stating that all conditions precedent provided for in this Indenture and the Security Documents relating to such release and discharge have been satisfied and that such release and discharge is authorized and permitted under this Indenture, which the Trustee shall be entitled to rely on absolutely and without further enquiry, will execute any documents reasonably required in order to evidence or effect such release, discharge and termination in respect of such Second Lien Notes Guarantee. Neither the Issuer, the Trustee nor any Guarantor will be required to make a notation on the Second Lien Notes to reflect any such release, discharge or termination.

Any Guarantor not released from its obligations under its Second Lien Notes Guarantee as provided in this Section 11.08 will remain liable for the full amount of principal of, premium, if any, interest and Additional Amounts, if any, on, the Second Lien Notes and for the other obligations of any Guarantor under this Indenture as provided in this Article 11.

ARTICLE 12
COLLATERAL, SECURITY AND INTERCREDITOR AGREEMENT

(b) The Company and the Guarantors hereby agree that the Security Agent shall hold the Collateral in trust for the benefit of all of the Holders and the Trustee, in each case pursuant to the terms of the Security Documents and the Intercreditor Agreement and the Security Agent and the Trustee are hereby authorized to execute and deliver the Security Documents and the Intercreditor Agreement (including any other agreements, deeds or other documents in relation thereto) on behalf of all of the Holders.

(c) Each Holder, by its acceptance of any Second Lien Notes and the Second Lien Notes Guarantees thereof, and the Trustee, by entering into this Indenture, consents and agrees to and accepts the terms of the Security Documents and the Intercreditor Agreement as the same may be in effect or as may be amended from time to time in accordance with their terms and irrevocably authorizes and directs the Security Agent to:

(A) perform the duties and exercise the rights power and discretion that are specifically given to it under the Security Documents and the Intercreditor Agreement together with any other incidental rights, power and discretions; and

(B) execute each Security Document, waiver, modification, amendment, renewal or replacement expressed to be executed by the Security Agent on its behalf.

(d) The Trustee and each Holder, by accepting the Second Lien Notes and the Second Lien Notes Guarantees thereof, acknowledges that, as more fully set forth in the Security Documents and the Intercreditor Agreement, the Collateral as now or hereafter constituted shall be held for the benefit of all the Holders and the Trustee, and that the Lien of this Indenture and the Security Documents in respect of the Trustee and the Holders is subject to and qualified and limited in all respects by the Security Documents and the Intercreditor Agreement and actions that may be taken thereunder.

(e) Subject to the terms of this Indenture and the Security Documents, the Issuer and the Guarantors shall have the right to remain in possession and retain exclusive control of the Collateral securing the Second Lien Notes, to freely operate the Collateral and to collect, invest and dispose of any income therefrom.

Section 12.02 *Limitations on the Collateral.*

(a) The Liens will be limited as necessary to recognize certain defenses generally available to providers of Liens (including those that relate to fraudulent conveyance or transfer, thin capitalization, voidable preference, financial assistance, corporate purpose, capital maintenance or similar laws, regulations or defenses affecting the rights of creditors generally) or other considerations under applicable law.

Section 12.03 *Impairment of Security Interests.*

(a) The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, take or knowingly or negligently omit to take, any action which action or omission would have the result of materially impairing the security interest with respect to the Collateral (it being understood that the incurrence of Liens on the Collateral permitted by the definition of Permitted Collateral Liens shall under no circumstances be deemed to materially impair the security interest with respect to the Collateral) for the benefit of the Trustee and the Holders, and the Company will not, and will not cause or permit any of its Restricted Subsidiaries to, grant to any Person other than the Security Agent, for the benefit of the Trustee and the Holders and the other beneficiaries described in the Security Documents and the Intercreditor Agreement, any interest whatsoever in any of the Collateral; *provided* that (a) nothing in this provision will restrict the discharge or release of the Collateral in accordance with this Indenture, the Security Documents and the Intercreditor Agreement and (b) the Company and its Restricted Subsidiaries may incur Permitted Collateral Liens; and *provided further, however*, that, subject to the foregoing clause (a) (except to the extent that such Collateral is to become subject to a Lien following such release or discharge), no Security Document may be amended, extended, renewed, restated, supplemented or otherwise modified or replaced, unless contemporaneously with such amendment, extension, replacement, restatement, supplement, modification or renewal, the Company delivers to the Trustee one of the following: (1) a solvency opinion from an internationally recognized investment bank or accounting firm, in form and substance reasonably satisfactory to the Trustee confirming the solvency of the Company and its Subsidiaries, taken as a whole, after giving effect to any transactions related to such amendment, extension, renewal, supplement, modification or replacement; (2) a certificate from the Board of Directors or chief financial officer of the Company (acting in good faith), in the form set forth as Exhibit E to this Indenture, that confirms the solvency of the Person granting such Lien after giving effect to any transaction related to such amendment, extension, renewal, restatement, replacement, supplement, modification or release or (3) an Opinion of Counsel, in form and substance reasonably satisfactory to the Trustee (subject to customary exceptions and qualifications), confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, the Lien or Liens securing the Second Lien Notes created under the Security Documents so amended, extended, renewed, restated, supplemented, modified or replaced are valid and perfected Liens not otherwise subject to any limitation, imperfection or new hardening period, in equity or at law, and that such Lien or Liens were not otherwise subject to immediately prior to such amendment, extension, renewal, restatement, supplement, modification or replacement.

(b) At the direction of the Company and without the consent of the Holders, the Security Agent may from time to time enter into one or more amendments to the Security Documents to: (i) cure any ambiguity, omission, defect or inconsistency therein, (ii) (but subject to compliance with Section 12.03(a)) provide for Permitted Collateral Liens, (iii) add to the Collateral or (iv) make any other change thereto that does not adversely affect the rights of the Holders in any material respect.

(c) In the event that the Company complies with this Section 12.03, the Trustee and the Security Agent will (subject to customary protections and indemnifications) consent to such amendment, extension, renewal, restatement, supplement, modification or replacement with no need for instructions from Holders.

Section 12.04 *Release of Liens on the Collateral.*

(1) in connection with any sale, assignment, transfer, conveyance or other disposition of such property or assets (i) to a Person that is not (either before or after giving effect to such transaction) the Company or any of its Restricted Subsidiaries, if the sale or other disposition does not violate Section 4.10 or (ii) if such assets become subject to an equivalent Lien in favor of the Security Agent for the benefit of the Holders concurrent with such sale, assignment, transfer, conveyance or other disposition; *provided* that such sale, assignment, transfer, conveyance or other disposition of such property or assets is permitted by this Indenture;

(2) in the case of a Guarantor that is released from its Second Lien Notes Guarantee pursuant to the terms of this Indenture, the release of the property and assets, and Capital Stock, of such Guarantor;

Section 12.05 *Additional Intercreditor Agreement.*

(b) Each Holder, by accepting a Second Lien Note, will be deemed to have agreed to and accepted the terms and conditions of each Intercreditor Agreement and Additional Intercreditor Agreement and any amendment referred to in clause (a) of this Section 12.05 and the Trustee or the Security Agent will not be required to seek the consent of any Holders to perform its obligations under and in accordance with this Section 12.05.

U.S. Bank Trustees Limited accepts its appointment and is directed and instructed to enter into the Security Documents. The Security Agent hereunder shall have such duties and responsibilities as are explicitly set forth herein and in the respective Security Documents and the Intercreditor Agreement and no others; *provided* that the Security Agent hereunder shall only take action with respect to or under the Security Documents in accordance with the written instructions of the Trustee acting on behalf of the Holders and subject to the Intercreditor Agreement, and shall apply any proceeds from the enforcement of any security as set forth in the Intercreditor Agreement and the Security Documents. Furthermore, the liability of the Security Agent shall be limited as set forth in the Intercreditor Agreement.

Section 12.07 *Authorization of Actions to Be Taken by the Trustee.*

Subject to the provisions of Sections 7.01 and 7.02 and the terms of the Security Documents (including any consent of the Holders required thereunder), the Trustee may, in its sole discretion, direct, on behalf of the holders, the Security Agent to take all actions it deems necessary or appropriate in order to:

- (1) enforce any of the terms of the Security Documents or the Intercreditor Agreement; and
- (2) collect and receive any and all amounts payable in respect of the Obligations of the Issuer or any Guarantor hereunder.

Subject to the provisions hereof and the Security Documents, the Trustee and/or the Security Agent will have power to institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of the Security Documents, the Intercreditor Agreement or this Indenture, and such suits and proceedings as the Trustee may deem expedient to preserve or protect its interests and the interests of the Holders in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders or of the Trustee and/or the Security Agent).

Section 12.08 *Authorization of Receipt of Funds by the Trustee Under the Security Documents.*

FORM OF REVERSE OF SECOND LIEN NOTE

8.5% SECOND LIEN NOTE DUE 2019

Unless otherwise defined herein, capitalized terms used herein have the meanings assigned to them in the Indenture.

(1) *Interest.* IDH Finance plc (the “*Issuer*”), a public limited company incorporated under the laws of England and Wales, promises to pay interest on the principal amount of this Second Lien Note at 8.5% per annum from 30 May 2013 until maturity. The Issuer will pay interest semi-annually in arrears on 1 September and 1 March of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”). Interest on the Second Lien Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Second Lien Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided, further*, that the first Interest Payment Date shall be 1 September 2013. The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and interest, including Additional Amounts, if any, at a rate that is 1% higher than the then applicable interest rate on the Second Lien Notes to the extent lawful. The Issuer will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period), at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

(2) *Method of Payment.* The Issuer will pay interest on the Second Lien Notes (except defaulted interest) to the Persons who are registered holders at the close of business on 15 August or 15 February immediately preceding the next Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Second Lien Notes will be payable as to principal, premium, if any, Additional Amounts, if any, and interest at the office or agency of the Issuer maintained for such purpose as provided in the Indenture or, at the option of the Issuer, payment of interest, Additional Amounts, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest and premium and Additional Amounts, if any, on all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Issuer or the Paying Agent. Such payment will be in such coin or currency of the United Kingdom as at the time of payment is legal tender for payment of public and private debts.

(3) *Paying Agent and Registrar.* The Issuer initially appoints Elavon Financial Services Limited, UK Branch to act as the Registrar and Paying Agent in London and to act as Custodian with respect to the Global Notes, and initially appoints Elavon Financial Services Limited to act as the Registrar and Transfer Agent in Ireland. The Issuer may change any Paying Agent or Registrar without notice to any Holder. The Issuer, Turnstone Midco 2 Limited (the “*Company*”) or any of the Company’s Subsidiaries, acting as agent of the Issuer solely for this purpose, may act as Registrar. Upon notice to the Trustee, the Issuer may change any Paying Agent, Registrar or Transfer Agent; *provided, however*, that in no event may the Issuer appoint a Paying Agent in any member state of the European Union where the Paying Agent would be obliged to withhold or deduct tax in connection with any payment made by it in relation to the Second Lien Notes unless the Paying Agent would be so obliged if it were located in all other member states. For so long as the Second Lien Notes are listed on the official list of the Irish Stock Exchange and admitted for trading on the Global Exchange Market and the rules of the Irish Stock Exchange so require, the Issuer will publish a notice of any change of Paying Agent, Registrar or Transfer Agent in a daily newspaper having a general circulation in Ireland (which is expected to be the *Irish Times*) and, to the extent and in the manner permitted by such rules, post such notice on the official website of the Irish Stock Exchange (which, as of the Issue Date, is www.ise.ie) in accordance with Section 14.01 of the Indenture and, in the case of Definitive Registered Notes, in addition to such publication and posting, mail such notice by first-class mail to each Holder’s registered address, as it appears on the Register, with a copy to the Trustee.

(4) *Indenture.* The Issuer issued the Second Lien Notes under an Indenture, dated as of 30 May 2013 (the “*Indenture*”), among, *inter alios*, the Issuer, the Guarantors parties thereto, the Trustee and the Security Agent. The terms of the Second Lien Notes include those stated in the Indenture. The Second Lien Notes include all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Second Lien Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

(5) *Optional Redemption.*

(b) At any time prior to 1 June 2016, the Issuer may on any one or more occasions redeem up to 40% of the aggregate principal amount of Second Lien Notes issued under the Indenture, upon not less than 30 nor more than 60 days’ notice, at a redemption price equal to 108.5% of the principal amount of the Second Lien Notes redeemed, plus accrued and unpaid interest and Additional Amounts, if any, to the date of redemption (subject to the rights of holders of Second Lien Notes on the relevant record date to receive interest on the relevant interest payment date), with the net cash proceeds of one or more Equity Offerings the proceeds of which are contributed to the Company (other than in the form of an Excluded Contribution or Parent Debt Contribution) in the form of a subscription for, or a capital contribution in respect of, Capital Stock (other than Disqualified Stock) of the Company or as Subordinated Shareholder Debt of the Company, *provided that*:

(1) at least 60% of the aggregate principal amount of the Second Lien Notes originally issued under the Indenture (excluding Second Lien Notes held by the Company and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 180 days of the date of the closing of such Equity Offering.

(c) At any time prior to 1 June 2016, the Issuer may on any one or more occasions redeem all or a part of the Second Lien Notes upon not less than 30 nor more than 60 days’ notice, at a redemption price equal to 100% of the principal amount of the Second Lien Notes redeemed, plus the Applicable Premium as of, and accrued and unpaid interest and Additional Amounts, if any, to the date of redemption, subject to the rights of holders of the Second Lien Notes on the relevant record date to receive interest due on the relevant interest payment date.

(d) Except pursuant to Sections (5)(a) and (5)(b) and except pursuant to Section (6) of this Second Lien Note, the Second Lien Notes will not be redeemable at the Issuer’s option prior to 1 June 2016.

(e) On or after 1 June 2016, the Issuer may on any one or more occasions redeem all or a part of Second Lien Notes upon not less than 30 nor more than 60 days’ notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest and Additional Amounts, if any, on the Second Lien Notes redeemed, to the applicable date of redemption, if redeemed on or after the dates indicated below, subject to the rights of holders of Second Lien Notes on the relevant record date to receive interest on the relevant interest payment date:

<u>Date</u>	<u>Redemption Price</u>
June 2016	104.250%
June 2017	102.125%
June 2018	100.000%

(f) Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Second Lien Notes or portions thereof called for redemption on the applicable redemption date.

(g) Any redemption and notice may be subject to the satisfaction of one or more conditions precedent.

(6) *Redemption for Taxation Reasons.*

The Issuer may redeem the Second Lien Notes, in whole but not in part, at its discretion at any time upon giving not less than 30 nor more than 60 days' prior notice to the Holders (which notice will be irrevocable and given in accordance with the procedures described in Section 3.03 of the Indenture), at a redemption price equal to 100% of the aggregate principal amount thereof, together with accrued and unpaid interest, if any, to the date fixed by the Issuer for redemption (a "Tax Redemption Date") and all Additional Amounts (if any) then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant record date to receive interest due on the relevant interest payment date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Second Lien Notes, the Issuer is or would be required to pay Additional Amounts, and the Issuer cannot avoid any such payment obligation by taking reasonable measures available, and the requirement arises as a result of:

(1) any amendment to, or change in, the laws or any regulations or rulings promulgated thereunder of a relevant Tax Jurisdiction which change or amendment is announced and becomes effective on or after the Issue Date (or, if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the Issue Date, such later date); or

(2) any amendment to, or change in, an official written interpretation or application of such laws, regulations or rulings (including by virtue of a holding, judgment, order by a court of competent jurisdiction or a change in published administrative practice) which amendment or change is announced and becomes effective on or after the Issue Date (or, if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the Issue Date, such later date) (each of the foregoing clauses (a)(1) and (a)(2) of this Section (6), a "Change in Tax Law").

(b) The Issuer will not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Issuer would be obligated to make such payment or withholding if a payment in respect of the Second Lien Notes was then due, and the obligation to pay Additional Amounts must be in effect at the time such notice is given. Prior to the publication or, where relevant, mailing of any notice of redemption of the Second Lien Notes pursuant to the foregoing, the Issuer will deliver to the Trustee (i) an Officer's Certificate stating that obligation to pay such Additional Amounts cannot be avoided by the Issuer taking reasonable measures available to it; and (ii) a written opinion of independent tax counsel to the Issuer of recognized standing qualified under the laws of the relevant Tax Jurisdiction and reasonably satisfactory to the Trustee (such approval not to be unreasonably withheld) to the effect that the Issuer has or will become obligated to pay such Additional Amounts as a result of a Change in Tax Law.

(c) The Trustee will accept and shall be entitled to rely on such Officer's Certificate and Opinion of Counsel as sufficient evidence of the existence and satisfaction of the conditions precedent as described above, in which event it will be conclusive and binding on the Holders.

(7) *Mandatory Redemption.* The Issuer is not required to make mandatory redemption payments or sinking fund payments with respect to the Second Lien Notes.

(8) *Repurchase at Option of Holder.* (a) Upon the occurrence of a Change of Control, unless the Issuer has unconditionally exercised its right to redeem all the Second Lien Notes pursuant to Section (5) of this Note or all conditions to such redemption have been satisfied or waived, each Holder will have the right to require the Issuer to repurchase all or any part (equal to £100,000 or in integral multiples of £1,000 in excess thereof) of that Holder's Second Lien Notes at a purchase price in cash equal to 101% of the aggregate principal amount of Second Lien Notes repurchased, plus accrued and unpaid interest and Additional Amounts, if any, on the Second Lien Notes repurchased to the date of purchase (subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date). No later than the date that is 30 days after any Change of Control, the Issuer will transmit a notice to each Holder in accordance with the procedures set forth in Section 3.03 of the Indenture, with a copy to the Trustee.

(b) Any Net Proceeds from Asset Sales that are not applied or invested as provided in Section 4.10(b) of the Indenture will constitute "Excess Proceeds." In the event of an Asset Sale that requires the purchase of Notes pursuant to Section 4.10(d) of the Indenture, the Issuer will be required to commence an Asset Sale Offer pursuant to Sections 3.09 and 4.10(d) of the Indenture to purchase the maximum principal amount of Notes that may be purchased, prepaid or redeemed out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of

the principal amount thereof plus accrued and unpaid interest thereon, if any, to the date of purchase, prepayment or redemption (subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date) in accordance with the procedures set forth in the Indenture.

(9) *Notice of Redemption.* Notice of redemption shall be given in accordance with Section 3.03 of the Indenture and the effect of notice of redemption is set forth in Section 3.04 of the Indenture.

(10) *Denominations, Transfer, Exchange.* The Second Lien Notes are in global registered form without coupons in minimum denominations of £100,000 and integral multiples of £1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents. The Registrar may not require a Holder to pay any taxes and fees, except as otherwise set forth in the Indenture. The Registrar need not exchange or register the transfer of any Second Lien Note or portion of a Note selected for redemption, except for the unredeemed portion of any Second Lien Note being redeemed in part. Also, the Registrar need not exchange or register the transfer of any Second Lien Notes (i) for a period of 15 days prior to any date fixed for the redemption of the Second Lien Notes, (ii) for a period of 15 days immediately prior to the date fixed for selection of Second Lien Notes to be redeemed in part, (iii) for a period of 15 days prior to the record date with respect to any interest payment date or (iv) which the Holder has tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Sale Offer.

AGREED SECURITY PRINCIPLES

- (a) The principles in this Exhibit E embody recognition by all parties that there may be certain legal and practical difficulties in obtaining guarantees from all Guarantors in their respective jurisdiction of incorporation. In particular:
- (i) all guarantees granted will be limited to the extent advised by local counsel and tax advisors to the Company as being necessary or reasonably desirable to comply with local legal requirements and recommended tax structuring;
 - (ii) general statutory limitations, financial assistance, corporate benefit, fraudulent preference, "thin capitalisation" rules, retention of title claims and similar principles may limit the ability of a Guarantor to provide a guarantee or may require that the guarantee be limited by an amount or otherwise provided that the Company will use reasonable endeavours to assist in demonstrating that adequate corporate benefit accrues to each Guarantor;
 - (iii) in the case of any joint venture or non-wholly owned subsidiary all guarantees will be limited to comply with restrictions in the joint venture, shareholders' or other agreement or by law provided that the Company will use reasonable endeavours to avoid or overcome such restrictions;
 - (iv) Guarantors will not be required to give guarantees if that would conflict with the fiduciary duties of their directors or contravene any legal prohibition or result in a risk of personal or criminal liability on the part of any officer provided that the relevant Guarantor shall use reasonable endeavours to overcome any such obstacle; and
 - (v) the maximum guaranteed amount may be limited to minimise stamp duty, notarisation, registration or other applicable fees, taxes and duties where the benefit of increasing the guaranteed amount is disproportionate to the level of such fee, tax or duty.
- (b) The amount of costs for guarantees set out in this Indenture in relation to reasonable legal fees, disbursements, registration costs, taxes, notary fees and other costs and expenses related to the guarantees incurred by legal counsel to the Company and by legal counsel to the Trustee or the Holders will be paid by the Company.

FORM OF SOLVENCY CERTIFICATE

This solvency certificate (this “*Certificate*”) is delivered by IDH Finance plc (the “*Company*”) in connection with the Indenture dated as of May 30, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the “*Indenture*”) (undefined capitalized terms used herein shall have the meanings set forth in the Indenture) the Guarantors party thereto and U.S. Bank Trustees Limited as Trustee and as Security Agent, Elavon Financial Services Limited, UK Branch as Transfer Agent and Elavon Financial Services Limited as Registrar and Principal Paying Agent. I hereby certify as follows in my capacity as [Director]/[Financial Officer] of the Company, not individually and without any personal liability hereunder:

1. I am, and at all pertinent times mentioned herein, have been the duly qualified and acting [Director]/[Chief Financial Officer] of the Company. [In such capacity I have responsibility for the overall management of the financial affairs of [●]¹ and the preparation of the financial statements of [●]. I am familiar with the properties, business, assets and liabilities of [●] and their business plans for the foreseeable future.] I am authorized to execute this Certificate on behalf of the Company.

2. In connection with the preparation of this Certificate, I have made such investigations and inquiries as I deem necessary and reasonably prudent therefor and to accurately make the certifications expressed herein. The financial information and assumptions which underlie and form the basis for the representations made in this Certificate were reasonable when made and continue to be reasonable as of the date hereof. Specifically, I have [add description of underlying investigation].

Based on the foregoing, on behalf of the Company, I have reached the following conclusions:

- (A) As of the date hereof, after the incurrence of the Permitted Collateral Lien:
- (i) the fair value of the assets of [●] are in excess of the total amount of its debts and other liabilities (including, without limitation, contingent and prospective liabilities, computed as the amount that, in light of all the facts and circumstances now existing, represents the amount that can reasonably be expected to become an actual or matured liability);
 - (ii) the present fair saleable value of the assets of [●] is greater than its probable total liability on its existing debts as such debts become absolute and matured; and
 - (iii) [●] is able to pay its debts as they fall due and has not (a) been deemed or declared to be unable to pay its debts under applicable law, (b) suspended or threatened to suspend making payments on any of its debts or, by reason of actual or anticipated financial difficulties, or (c) commenced negotiations with one or more of its creditors with a view to rescheduling any of its indebtedness.

¹ Person granting Lien

- (B) [●] is not subject to bankruptcy, insolvency, voluntary or judicial liquidation, composition with creditors, compromise agreement or assignment with any creditor of [●], reprieve from payment, controlled management, claims of fraudulent conveyance that would reasonably be expected to result in a judgment that [●] would be unable to satisfy, general settlement with creditors, reorganization or similar laws affecting the rights of creditors generally.
- (C) To the best of my knowledge, [●] is not, on the date hereof and will, as a result of its incurrence of the Permitted Collateral Lien, not be in a state of cessation of payments.
- (D) No application has been made by [●] or, as far as the Company is aware, by any other person for the appointment of a liquidator, receiver, administrative receiver, administrator, compulsory manager or similar officer pursuant to any insolvency or similar proceedings.
- (E) No application has been made by [●] for a voluntary winding-up or liquidation nor, to the best of my knowledge, has any judicial winding-up or liquidation been commenced or initiated against [●] nor, to the best of my knowledge, has any suspension of payments, moratorium of any indebtedness, winding-up, dissolution, administration or reorganization (by way of voluntary arrangement, scheme of arrangement or otherwise) of [●] been initiated against [●].
- (F) To the best of my knowledge, no corporate action, legal proceedings or other procedure or step has been taken in relation to any expropriation, attachment, sequestration, distress or execution or any analogous process in any jurisdiction affects any asset or assets of [●].

“Fair saleable value” means the amount that could be obtained for assets within a reasonable time, either through collection or through sale under ordinary selling conditions by a capable and diligent seller to an interested buyer who is willing (but under no compulsion) to purchase.

The foregoing conclusions shall not be rendered untrue by the existence of any winding-up petition or any analogous procedure or step which is frivolous or vexatious and is discharged, stayed or dismissed within 28 days of commencement or, if earlier, the date on which it is advertised.

None of the Company or any of its Restricted Subsidiaries intends, in incurring the Permitted Collateral Lien or in incurring (by way of assumption or otherwise) any related obligations or liabilities (contingent or otherwise), to disturb, delay, hinder or defraud either present or future creditors or other Persons to which the Company or any of its Restricted Subsidiaries is or are intended to become, on or after the date hereon, indebted.
